part of the century series each book reviews and summarises the key developments in a particular branch of religious studies during the past century with a balance of scholarship and readability professor clements offers both the student and the general reader alike an account of the main lines of old testament interpretation over the last hundred years he focuses on the work of a few scholars whose contributions appear to him to have been particularly significant and interesting and shows some of the interconnections between them with each chapter the treatment is broadly chronological

the byzantine empire fragmented and enfeebled by the fourth crusade in 1204 never again recovered its former extent power and influence its greatest revival came when the byzantines in exile reclaimed their capital city of constantinople in 1261 and this book narrates the history of this restored empire from 1261 to its conquest by the ottoman turks in 1453 first published in 1972 the book has been completely revised amended and in part rewritten with its source references and bibliography updated to take account of scholarly research on this last period of byzantine history carried out over the past twenty years

though unaffiliated with any institute of higher learning rolf knight has established himself as a writer of significance and has produced some of the most influential works of history of british columbia a very ordinary life exploring his mother's life as a working class immigrant to vancouver established his reputation in 1974 indians at work published in 1976 and reissued in 1996 was originally highly contentious but has since shaped the perception of contact in this part of the world as no other book has throughout the 1970s knight continued to document working class experiences in british columbia through a series of books a man of our times with maya koizumi stump ranch chronicles work camps and company towns and along the no 20 line reissued 2011 in 1992 he published homer stevens a life in fishing with homer stevens and was also awarded a clio prize by the canadian historical association for his contributions to regional history in voyage through the past century we have knight's autobiographical account of his far from ordinary past a journey from his early years as the only child at musketeer mine through his move to northeast vancouver where he attended school and entered university earning a phd in anthropology and subsequent fieldwork in northern quebec constitute his formal schooling but it was knight's travels upcoast as a youth trips to berlin nigeria new york and colombia that shaped his politics and views clear eyed and written with the verve and passion of a working class activist voyage through the past century is an engaging record of a fascinating life and an indispensable account of a time and place that has marked our age even as the events that shaped it fade into the past
