some people prefer hotels gets its title from a grumpy old work colleague s comment when the author and his wife bought a motorhome whilst nervously driving to cornwall for a week s holiday during the first heavy rainfall for months and the windscreen wipers stop working it seemed he had a point what with the rotten weather wobbly toilet pan temperamental showers and being cooped up in such a confined space with monty their faithful border terrier surrounded by dripping wet weather gear and muddy boots they start to think that buying a motorhome was the biggest mistake they d ever made luckily the weather improves but as they explore some of cornwall s most idyllic and historic places some for the first time and others they d been to before if something could go wrong it generally did as well as expressing his candid and crotchety observations about their campsite experiences and life in general the author also goes on a personal inner journey as sentimental old memories were triggered off by his motorhome holiday if you haven t already done so you might just be tempted to buy a motorhome and likewise take to the road or there again you may prefer hotels
