my biggest obstacle to wealth wasn't my poverty it was my arrogance keeping me poor nothing else i skipped all the introductions and all the conclusions in books i skipped past the exercises because i was too smart for them i didn't need them but recipes exist for a reason all i had to do was listen listen to those before me that already found the way i had to lose everything over and over again before i was willing to apply the lessons of the masters before me this isn't a story about poverty it's a story about how arrogance leaves us poor if not financially then mentally poor which is a worse place to be for a poor man with applied wisdom is better than a sedentary genius matthew morales discover how a kid from the hood made it good not just financially but through reaching a higher spiritual plane in his fascinating work never be poor again matthew morales reveals the sometimes lucky sometimes nerve wracking journey from poverty to enlightenment and enoughness using laws of the universe and vulnerability matthew teaches how to respect and most importantly how to put into practice the way out of poverty mentally spiritually and financially the first book of its kind this book will redefine how self help books are written not many self help books take you on the journey of struggles and what it actually took to grow most are told from the perspective of the expert and what to do this is the opposite it takes you on an emotional rollercoaster as you experience the authors experiences of poverty and watch as he frees himself by the end giving you the satisfying feeling that you can do it too it connects directly to the hearts of the readers and is easier to relate to than any financial literacy book ever written before reviews thank you for this book it's a blessing i've started to read it and i've cried in the first chapter so many emotions in me your words are so inspired wow this is seriously a masterpiece hands down the best personal development book i've ever read period seems like i read 100 books in one lots of experience put in just one book to be honest i will forever be grateful to you for sending me this book this has nearly saved me a decade of time i really wish i read this earlier from the moment i started reading i couldn't stop i without a doubt absolutely recommend everyone read this book i'm so grateful for the existence of this book this book is gonna change the world i had so much fun reading this book and at the same time there have been many aha moments throughout all the book i was searching for further guidance in integrating money with my spiritual path this book arrived in perfect timing and offered me so many insights and tools i loved it you'll love it too

for your heavenly father knows that you need all these things but seek first the kingdom of god and his righteousness and all these things shall be added to you matthew 6 32b 33 are you looking for an avenue where you can put your money safe with growth tax advantage and protection do you dream of a cash retirement for yourself that is tax free would you like to leave a tax free inheritance to your family when you are no longer around if the answer is a big yes then this book is for you likewise this book shows how giving saving and investing before spending is a blessed strategy toward wealth accumulation whether it is through man at work or money at work when god created man in his image he gave us tangible assets with a command and a blessing be fruitful and increase in number fill the earth and subdue it have dominion over genesis 1 27 28 when we work we are exercising our birthright our dominion for if we don't work neither should we eat 2 thessalonians 3 10

how can video games help you to become a better investor the world of video games and money have far more in common than you realize and like any game you can give yourself an edge to win investing can be a daunting and intimidating subject but it doesn't have to be this book takes a fresh approach to personal finance and self development that's both accessible and engaging using video game analogies to explain complex financial concepts in a way that's easy to understand regardless of your background or level of experience level up offers a modern dynamic perspective on investing that's tailored to the realities of today's markets no more outdated strategies or smug advisors in three piece suits it's time to level up your investment game and start winning this strategy guide is designed to take you through the 8 levels of your personal finances and build you into the confident investor you were always meant to be in these pages you'll discover how you can utilize the same rules of video games to enhance your own personal financial strategy detailed account and savings options to prioritize how to strategize building your wealth without giving up the things you love a guide to navigating the debt vs investment dilemma with a step by step walkthrough how to recognize and reveal the hidden enemies to your money in the game of investing this book is the cheat code

this work offers a comprehensive study in the life of christ from book preface

imagine how great life would be if you knew the money rules ahead of time and the tools you could use to create great financial success this book breaks the long standing taboo that it's not polite to talk about money right up there with politics sex and religion which means that money is not talked about at cocktail parties it's not talked about around the dinner table it's not talked about in the classroom or

anywhere else for that matter until now years ago working as a financial professional i realized that many women had little to no education about personal finance that coupled with the fact that almost all women will have total control over their money at some point in their lives yet most feel completely unprepared for that set me on a mission to educate and empower women regarding their finances this book creates a place of inspiration and reference for all women who want more success in their relationship with money

the author predicts the shrinkage of social security the collapse of the pension system the long term decline of the housing and stock markets a great depreciation and higher employability for older workers with solid experience

from the author of the bestselling there s an angel on your shoulder come 20 unforgettable stories of ordinary people whose lives have somehow been changed by events so extraordinary that they can only be referred to as miracles
