public relations and communication management serves as a festschrift honoring the work of public relations scholars james e gruning and larissa a grunig between them the grunigs have published 12 books and more than 330 articles book chapters and various academic and

professional publications and have supervised 34 doctoral dissertations and 105 master's theses this volume recognizes the Grunig's contributions to public relations scholarship over the past four decades to honor the Grunig's scholarship this volume continues to expand their body of work with essays from renowned colleagues former students and research associates the chapters discuss current trends in the field as well as emerging issues that drive the field forward sample topics include theories and future aspects of the behavioral strategic management approach to managing public relations and its linkages and implications to related subfields and key field issues contributions stimulate academic discussion and demonstrate the relevance of applied theories for the practice of public relations and communication management with up to date concepts theories and thoughts

this text presents the history and development of public relations an introduction to communication theory persuasion and research methods as well as an overview of practical topics

as a formal occupation public relations grew primarily in the United States through much of the twentieth century in recent years however it has spread rapidly throughout the world broad outlines on how public relations practices differ from country to country have only recently begun to take shape in scholarly writing about the field the existing literature on international public relations tends to focus on how those working for western organizations particularly multi national corporations can best practice abroad although useful such writings tend to focus on adaptation of western approaches not on development of new ones designed specifically for varied sociocultural settings around the world the editors have produced this book for a number of reasons there has been tremendous growth in the teaching of public relations around the world enhancing practice in many countries outside North America there has also been rapid growth in the number of professors who demand theoretical perspectives which might facilitate a unified comparative analysis across countries and regions only a few U.S. universities six documented in this book now teach courses formerly called international public relations however many professors are going abroad to teach and do research this suggests increased interest in and a need for courses dealing with international public relations furthermore there is a dearth of literature dealing in depth with international PR an important component of international communication this appears to be the first book length comparative analysis of public relations as practiced in various countries and regions around the world although existing books on international PR focus largely on ways in which western practitioners employers and clients can operate effectively in other countries this volume views public relations in each country or region covered from the perspective of practitioners in that country it contains six chapters designed to provide a theoretical anchor for the 14 country and region analyses given the intense interest in public relations education as a factor in professional enhancement it also discusses issues and practices relating to education

introduction to public relations strategic digital and socially responsible communication presents a comprehensive introduction to the field of

public relations examining its current practices and future directions in response to the dynamic shifts in technology business and culture authors janis t page and lawrence j parnell illustrate how today s pr professionals craft persuasive messages using modern technologies while working in line with the industry s foundations the text skillfully balances this approach by delving into communication theory history processes and practices demonstrating how these elements can be integrated into strategic public relations planning page and parnell guide students toward becoming socially responsible communicators where fostering trust and respect with diverse communities is valued over creating the next viral campaign the third edition responds to the rising focus on social responsibility sustainability ceo and investor activism and consumer demand for ethical brands and addresses these changes with updated content including new features recent examples case studies and chapter opening scenarios

in this updated edition of the successful public relations handbook a detailed introduction to the theories and practices of the public relations industry is given broad in scope it traces the history and development of public relations explores ethical issues which affect the industry examines its relationships with politics lobbying organisations and journalism assesses its professionalism and regulation and advises on training and entry into the profession it includes interviews with press officers and pr agents about their working practices case studies examples press releases and illustrations from a range of campaigns including railtrack marks and spencer guinness and the metropolitan police specialist chapters on financial public relations global pr business ethics on line promotion and the challenges of new technology over twenty illustrations from recent pr campaigns in this revised and updated practical text alison theaker successfully combines theoretical and organisational frameworks for studying public relations with examples of how the industry works in practice

prepares students to practice public relations effectively and ethically in today s global society this condensed version of the best selling public relations strategies and tactics retains the same features

fundamentals of public relations professional guidelines concepts and integrations second edition focuses on the basic theories and principles involved in the practice of public relations and describes how public relations functions in adapting an organization to its social political and economic environment practical guidelines for implementing public relations activities are given this book is comprised of 30 chapters and begins with an assessment of the nature of public relations including its function and its ecological concept historical highlights in the field of public relations are also presented subsequent chapters explore five dialogues that emphasize critical problems affecting the practice of public relations the first covers the role of the chief executive officer in public relations the second deals with corporate social responsibility the third shows the attitudes of labor on the question of jobs versus the environment the fourth reports on problems of protecting the environment and the fifth takes a searching look at the energy crisis this monograph is designed to serve as a basic text for students of public relations and those

who are in need of a refresher or even an introduction to the subject of public relations

the author with over five decades of professional and academic experience has considerably revised and updated every chapter of the book to present contemporary diverse public relations and media practices as a result the new edition contains the best of previous editions and at the same time replaces all the dated material with new figures and advanced information subjects like mass communication public relations journalism advertising media studies event management pr 2 0 new model and eight case studies including mahatma gandhi world s greatest communicator all in one make this edition truly unique and the only textbook of this type in india the other key topics that have been given attention in the book include pr as a strategic management function communication models history of indian pr standards and ethics in pr corporate communications pr in government public sector and ngos global pr internet and social media multimedia pr campaign and pr into the future learning tools students learning tools such as chapter opening preview relevant case problems in the text end of the chapter summary for quick understanding review questions for practice the glossary and traits needed for success in pr career are added value to this edition the text is a must read for every student faculty and practitioners of mass communication media relations journalism pr advertising and all management disciplines

until his death in 1997 philip lesly was a leading authority on public relations and a leading practitioner the new title reflects an added section on the techniques of communication other sections cover the definition and function of public relations analysis research and planning how an organization utilizes public relations and the practice of public relations appendices include sources of information public relations organizations the code of professional standards for the practice of public relations and a glossary annotation copyrighted by book news inc portland or
