this landmark study in the sociology of religion sheds new light on the question of what has happened to religion and spirituality since the 1960s in modern societies exposing several analytical weaknesses of today's sociology of religion un believing in modern society presents a new theory of religious secular competition and a new typology of ways of being religious secular the authors draw on a specific european society switzerland as their test case using both quantitative and qualitative methodologies to show how the theory can be applied identifying four ways of being religious secular in a modern society institutional alternative distanced and secular they show how and why these forms have emerged as a result of religious secular competition and describe in what ways all four forms are adapted to the current individualized society

social isolation has serious repercussions for people and communities across the globe yet

knowledge about this phenomenon has remained rather limited until now the first multidisciplinary study to explore this issue social isolation in modern society integrates relevant research traditions in the social sciences and brings together sociological theories of social networks and psychological theories of feelings of loneliness both traditions are embedded in research with the results of a large scale international study being used to describe the extent nature and divergent manifestations of social isolation with a new approach to social inequality this empirically based study includes concrete policy recommendations and presents a clear insight into personal social and socio economic causes and the consequences of social isolation

kraus recreation and leisure in modern society provides a detailed introduction to the history developments and current trends in leisure studies the twelfth edition focuses on the challenges and opportunities impacting the profession including dramatic demographic changes new technologies and innovations in marketing through an array of pedagogical features including engaging sidebars and case studies addressing contemporary issues focusing on ten different types of organizations ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors the twelfth edition is an invaluable resource for students considering a career in the recreation and leisure industry

since the time of adam smith scholars have tried to understand the role moral sentiments play in modern life an issue that became especially urgent during and after the 2008 global financial crisis previous explanations have ranged from the idea that modern society is built on moral values to the notion that modernisation results in moral decay the essays in this interdisciplinary volume use the example of dutch society and a wealth of empirical data to propose a novel theory about the ambivalent relation between contemporary life and human nature in the process the contributors argue for the need to reject simplistic explanations and reinvent civil society

does modernization lead to the decline of religion this question lies at the centre of a key debate in the sociology of religion during the past decade american scholars using primarily american data have dominated this debate and have made a strong case that the answer to this question is no recently however a new crop of european scholars working with new sources of european data have uncovered evidence that points toward an affirmative answer this volume pays special attention to these trends and developments to provide the reader with a more well rounded understanding of the many ways in which religion interacts with modernization respected scholars such as david voas steve bruce and anthony gill examine modern societies across the world in this splendid book which will interest sociologists political scientists historians and theologians in equal measure

this book adopts durkheim s legal perspective to treat law as a symbol of social solidarities to examine chinese society the work analyzes changes in the nature of social solidarity from observing changes in laws thus drawing together western socio legal theory and distinctive chinese conditions it draws on durkheim s theoretical framework and methodology to develop a

more comprehensive understanding of the role of law using theories of others such as habermas and by taking into account the discussion of power and the conflicts of interests in analyzing key social features during transition the analysis of social anomie in terms of the changes of juridical rules as well as the changes in the nature of social solidarity provides an inspiring perspective to look into contemporary social problems the book will be essential reading for researchers and academics working in the areas of socio legal studies legal theory and law and society in china
