alejandro has written an autobiographical memoir which he feels has the potential to greatly benefit society unfortunately his message does not agree with the current agenda and he has been blacklisted by the united states media on the morning of december 14 2012 the nation found out the reason why alejandro was such a threat because the effect from this corruption resulted in the tragic events at sandy hook elementary and thus every american citizen is indirectly affected by the information contained in this publication the reality is that if the vatican would have acknowledged alejandro s warning those events could have been prevented it was in february 2009 when alejandro returned home from a short hiatus and discovered he had been locked out by strangers his partner well known porn director michael goss was dead and alejandro knew something was horribly wrong he went to the los angeles sheriffs for help but instead they publicly humiliated him when the santa monica based attorney jan morrison filed for probate on behalf of her client thomas proechel alejandro submitted a formal allegation against him for the murder of michael goss which the authorities completely ignored eight months later music artist lady gaga released the song alejandro she has stated her inspiration was from a sex monster and the reason is because michael goss s media company goss productions produced male fetish pornography lady gaga allegedly knows the individual responsible for killing michael goss that individual is a member of the royal arch degree of freemasonry his masonic brother steve cooley happens to be the district attorney for los angeles and when alejandro confronted mr cooley alleging r william rheinschild for the murder of michael goss the response from the da s office informed him that michael goss s estate which was valued at approximately 10 million did not meet the preliminary requirement of the major fraud division to consider investigating the requirement was a total property loss of at least 300 000 00 as an insult mr cooley s office redirected alejandro back to the local authorities the truth is local and federal authorities have refused to help alejandro his career has been ruined by defamation in december 2010 he filed a declaration which presented the evidence that proved michael goss was murdered a

month later an attempt to murder him failed and the lapd censored his police report and in march 2012 alejandro s image appeared without his consent in an advertisement for blumedia group which was posted on an adult pay per view networking website his image was manipulated to appear as if he was being raped and was entitled the predator and the prey after confronting a representative for katz media group in new york city the vice president of public relations suggested he write a book the intention was to stall time so alejandro s statute of limitations would run out but to everyone s surprise alejandro finished his book within a week and submitted it to the library of congress in august 2012 and in fact alejandro has dedicated his book to the vp of pr for katz media since person responsible for killing michael goss has corrupted local government in his favor and because alejandro has exhausted every avenue for recourse he had no other choice but to elevate his case to god s divine jurisdiction the reason why this book is significant is because alejandro exposes the root of social injustice and in the last chapter he makes some very specific statements that came to fruition in october 2012 when hurricane sandy hit the northeastern united states do not pass this book up because alejandro s message just might be our salvation against the beast called freemasonry
