contemporary urbanisation has two faces global flows of people money and information and that of localised social and economic disparities recent research has focused on the headlines of global cities as control centres of the world economy and social and economic shock waves that have raged through cities and regions but less attention has been paid to the secret life of cities and the changing nature of everyday life in the wake of such changes this book challenges current research and policy agendas recommending spatial concentration and relocation as a solution to the problems of environmental sustainability and social dislocation instead this book highlights the key linkages between social and environmental problems it argues that neither are likely to be resolved with a simple spatial fix the book draws attention to local contexts of contemporary urbanisation emphasising consideration of policy making from the perspective of the household as a key unit of analysis in identifying links between labour and housing markets transport and leisure this book draws upon detailed household interviews about the daily experience of life in a global city it illustrates the dilemmas and solutions that people routinely find in order to go on in their lives it shows that these local fixes that are managed at the level of the household work in spite of and sometimes against existing policies aimed at sustainability it concludes that policy making needs to be radically overhauled in order to address the integrated nature of people s everyday lives

how much does our perception of god really matter many of us aren t

conscious of our image of a higher power for some of us that unspoken image is a judgmental parent or an exacting old man in the sky for others god is an imaginary friend who is there to fix problems after we create them david aaron can help you discover a mature new understanding of god and lead you to discover the wellspring of divinity within you by drawing on teachings of kabbalah that were secret for millennia he helps you to reclaim the power you ve given away to negative images of god or passive images of yourself these mystical secrets of judaism can offer reassuring guidance meaning and purpose to the lives of people of all faiths in the journey to discovering god s secret life you will awaken to your life s deepest purpose delight in a deeper connection to your true inner self god and others learn to experience god s infinite love for you rise to new heights cope with challenges and make courageous choices achieve true peace of mind and freedom from anxiety aaron shares these profound ancient teachings in simple everyday language with a touch of wit and humor rich in personal stories and anecdotes his examples from daily life help us tap the transformational power hidden within and illuminate the surprising paradoxes of spiritual growth awakened to finally experience a personal connection to god we are at last able to receive god s love unconditionally and discover our ultimate identity divine purpose and true happiness
