literary connections between south africa and the lusophone world connects literatures and cultures of south africa and the portuguese speaking nations of africa and beyond and is set within literary and cultural studies the chapters gathered in this volume reinforce the critical and ongoing conversations in comparative and world literature from perspectives of the south it outlines some possible theoretical and methodological starting points for a comparative framework that targets transnationally literatures from the south this volume is an additional step to renew the critical potentialities of comparative literary studies spivak 2009 as well as of humanistic criticism itself said 2004 as south africa and the lusophone world except its former colonizer portugal are outside the spatial and cultural dimension usually defined as european and or north american in this sense and due to the evident geographical and socio historical links between these regions critical scholarship on their literary connections can contribute to unprecedented perspectives of representational practices within a broader contextual dimension and in so doing provides the emergence of what boaventura de sousa santos called epistemologies of the south santos 2016 as it considers cultural exchanges in the space of so called overlapping territories and intertwined histories said 1993

skin tight apartheid literary culture and its aftermath traces the responses to the emergent paradigm of south african literary studies from the 1970s onwards embedded in the influential critical texts of the field it claims are hidden narratives of land race gender desire and embodiment this volume explores these submerged dimensions of south african literary history and the influence they continue to exert well into the post apartheid era it suggests that significant continuities exist between late apartheid and post apartheid literary culture and positions these against the interpretive horizon of south africa s truth and reconciliation commission

in western thought the modern period signals a break with stagnant social formations the advent of a new rationalism and the emergence of a secular order all in the context of an overarching globalization cochrane links these developments with the rise of the book as the dominant medium for recording preserving and disseminating thought

dante the pilgrim is the image of an author who stubbornly looks ahead seeking and building the great beyond manguel following in his footsteps is therefore not a return to the past going à rebours but a commitment to the future to exploring the potential of humanity to transhumanise this dynamic of self transcendence in dante s humanism ossola which claims for european civilisation a vocation for universalism ferroni is analysed in the volume at three crucial moments firstly the establishment of an emancipatory relationship between author and reader ascoli in which authorship is authority and not power secondly the conception of vision as a learning process and horizon of eschatological overcoming mendonça finally the relationship with the past which is never purely monumental but ethically and intertextually dynamic in an original rewriting of the original scriptural medieval and classical culture nasti bolzoni bartolomei a second group of contributions is dedicated to the reconstruction of dante s presence in portuguese literature almeida espírito santo figueiredo marnoto vaz de carvalho they attest to the innovative impact of dante s work even in literary traditions more distant from it

delving into the portuguese imperial experience moorings enriches our understanding of historical and literary imagination during a significant period of western expansion

the recent history of southern africa has given rise to a fiercely interesting literature these are critical essays on writers who have become prominent during the last two decades of the 20th century

annotation each volume provides substantive critical essays and biographical information on four to eight major poets from all eras a cumulative title index to the entire series is published separately included in subscription
