such as elrond and galadriel took part the book also includes several shorter works the ainulindalë a myth of the creation and the valaquenta in which the nature and powers of each of the gods is described the alkallâbêth recounts the downfall of the great island kingdom of númenor at the end of the second age and of the rings of power tells of the great events at the end of the third age as narrated in the lord of the rings tolkien could not publish the silmarillion in his lifetime as it grew with him so he would leave it to his son christopher tolkien to edit the work from many manuscripts and bring his father's great vision to publishable form so completing the literary achievement of a lifetime this special edition presents anew this seminal first step towards mapping out the posthumous publishing of middle earth and the beginning of an illustrious forty years and more than twenty books celebrating his father's legacy this definitive new edition includes by way of an introduction a letter written by tolkien in 1951 which provides a brilliant exposition of the earlier ages and for the first time in its history is presented with j r r tolkien's own paintings and drawings which reveal the breathtaking grandeur and beauty of his vision of the first age of middle earth

o silmarillion é um relato dos dias antigos da primeira era do mundo criado por j r r tolkien É a história longínqua para a qual os personagens de o senhor dos anéis e o hobbit olham para trás e em cujos eventos alguns deles como elrond e galadriel tomaram parte os contos de o silmarillion se passam em uma época em que morgoth o primeiro senhor sombrio habitava a terra média e os altos elfos guerreavam contra ele pela recuperação das silmarils as joias que continham a pura luz de valinor o livro começa com o ainulindalë o mito da criação do universo seguido pelo valaquenta onde estão descritas a natureza e os poderes de cada um dos deuses o akallâbeth narra o apogeu e a queda do reino da grande ilha de númenor no final da segunda era e dos anéis de poder fala dos grandes eventos no final da terceira era como narrado em o senhor dos anéis

painstakingly restored from Tolkien's manuscripts and presented for the first time as a fully continuous and standalone story the epic tale of Beren and Lúthien will reunite fans of *The Hobbit* and *The Lord of the Rings* with elves and men dwarves and orcs and the rich landscape and creatures unique to Tolkien's Middle-earth. Beren was a mortal man but Lúthien was an immortal elf her father a great Elvish lord was deeply opposed to Beren and imposed on him an impossible task that he must perform before he might wed Lúthien. Undaunted by Lord Thingol's challenge Beren and Lúthien embark on the supremely heroic attempt to rob Morgoth the greatest of all evil beings of a Silmaril one of the hallowed jewels that adorn the black enemy's crown. The tale of Beren and Lúthien which was written shortly after J.R.R. Tolkien returned from the battle of the Somme in 1916 was an essential element in the evolution of *The Silmarillion*. In this book Christopher Tolkien has extracted the various versions of Beren and Lúthien from the comprehensive work in which they are embedded to show something of the process whereby this great tale of Middle-earth evolved over the years. He tells the story in his father's own words by giving first its original form and then passages in prose and verse from later texts that illustrate the narrative as it changed. Presented together for the first time they reveal aspects of the story both in event and in narrative immediacy that were afterwards lost.

The Silmarillion is an account of the elder days of the first age of Tolkien's world. It is the ancient drama to which the characters in *The Lord of the Rings* look back and in whose events some of them such as Elrond and Galadriel took part. The tales of *The Silmarillion* are set in an age when Morgoth the first dark lord dwelt in Middle-earth and the high elves made war upon him for the recovery of the Silmarils the jewels containing the pure light of Valinor.

This volume is a provocative and entertaining collection of works which reveals the diversity of J.R.R. Tolkien's imagination and the breadth of his talent as a creator of fantastic fiction.
