winner of the national book critics circle award for nonfiction the spirit catches you and you fall down explores the clash between a small county hospital in california and a refugee family from laos over the care of lia lee a hmong child diagnosed with severe epilepsy lia s parents and her doctors both wanted what was best for lia but the lack of understanding between them led to tragedy winner of the national book critics circle award for nonfiction the los angeles times book prize for current interest and the salon book award anne fadiman s compassionate account of this cultural impasse is literary journalism at its finest lia lee 1982 2012 lia lee died on august 31 2012 she was thirty years old and had been in a vegetative state since the age of four until the day of her death her family cared for her lovingly at home

the intersection of wisdom and science is the territory of this anthology ground that is contested sometimes harrowing and often ennobling the human experience of health care whether ancient or modern has always engaged those who practice it and those who encounter it as patients both those who live with illness of body and mind and those who live and work alongside the patients crave the opportunity to reflect on their experiences in recent years practitioners and patients alike have called attention to a crisis in our collective experience of medicine there is a growing awareness of very different cultural expectations about the nature and treatment of illness the intersection of medicine and the humanities is busy machinery seems to crowd the space while human encounters are often brief and deeply unsatisfying to patients and caregivers alike despite disparate approaches to the crisis in health care from economics to ethics there is agreement that patients and the world of medicine need more time together so that illness does not find expression only in the context of the emergency room it is as a response to the collective sense of crisis and alienation that imagine what it s like has been constructed inside and outside the health care community many have called for the chance to use the humanities not only as opportunities to reflect on their own experiences but also as a means of improving the experiences of all of us whose lives will be touched by illness and healing birth and death created by the maine humanities council for its literature and medicine humanities at the heart of health care programs imagine what it s like contains eighty three selections ranging from poems to short stories to excerpts from longer works the selections are divided into five sections the experience of illness beginnings and endings trauma and recovery coming to terms and healing costs and are followed by suggestions for longer readings

nelson editor reporter reviewer mother daughter wife and compulsive reader set out to chronicle a year s worth of reading throughout so many books so little time is pure delight a work at once funny wise and rueful enough to make a passionate reader out of anybody

family communication cohesion and change examines how the communication processes within families affect and are affected by larger social systems by viewing the family as a communication system with identifiable patterns the authors encourage students to observe family interaction patterns analytically and relate communication theories to family interaction using a framework of family functions first person narratives and current research family communication cohesion and change emphasizes the diversity of today s families in terms of structure ethnic patterns and developmental experiences

this book is subversive it aims to undermine the legal profession s prevailing gladiatorial paradigm it is to use professor leonard riskin s phrase something off the lawyer s standard philosophical map it promises a vision of practicing law that is very different than that taught in most american law schools there exists tremendous discontent among the practicing bar many lawyers have found themselves unhappy or unfulfilled in their practices compared to other professionals lawyers suffer disproportionately from excessive stress substance abuse and other emotional difficulties many find themselves demoralized or disillusioned about the practice of law here s the good news recent years have witnessed a spate of both new and renewed approaches to the practice of law disaffected by the adversarial model many practitioners have engaged in a quiet revolution a marriage of theory and practice designed to maximize the healing potential of the law the result has been a variety of approaches such as therapeutic jurisprudence collaborative law and creative problem solving lawyers are cultivating emotional intelligence multicultural competence and mindfulness they are developing ways of working consistent with their spiritual and religious beliefs new pedagogy is informing old courses and new courses are evolving and taking their places in the curriculums of increasing numbers of law schools this book bears the fruit of many of these efforts the twenty contributors to this book come from widely diverse backgrounds what they share are visions for more therapeutic more beneficial more helping healing ways to practice law this book is a resource for law professors law students and lawyers who share those visions after nearly forty years of law practice i still look forward to coming to work every morning this is because i have had incredible mentors who have taught me to practice law as a healer and peacemaker now my heroes of the comprehensive law movement have each spoken in one outstanding collection edited by marjorie silver their essays provide a road map for any lawyer to re invent himself or herself and achieve a law practice filled with joy meaning and passion i enthusiastically recommend this book john v mcshane esq dallas texas law as a healing profession marjorie silver has collected a series of essays by leading writers engaged in such a career readers will find a practical resource to assist in building the emotional competence necessary to practice law in the 21st century buy it read it and practice in a more enlightened manner you owe it to your clients and to yourself g andrew h benjamin j d ph d affiliate professor of psychology antioch university affiliate professor of law

university of washington director parenting evaluation training program this book represents a turning point in the history of thought on how attorneys should be trained and how they should practice law as is true of all pioneering works this one will go through several stages at first traditionalists may oppose it and even ridicule it undoubtedly however its sheer wisdom will ultimately prevail and eventually be accepted as self evident amiram elwork director of the law psychology graduate program at widener university and author of stress management for lawyers my experience is that it is a marvelous book and helped lay an academically sound foundation for the content of course i learned much from it and i know our students did too jonathan r cohen professor of law university of florida levin college of law
