anyone who has sat through the dark and grainy world of eraserhead knows that david lynch s fi lms pull us into a strange world where reality turns upside down and sideways his fi lms are carnivals that allow us to transcend our ordinary lives and to reverse the meanings we live with in our daily lives nowhere is this demonstrated better than in the opening scene of blue velvet when our worlds are literally turned on their ears lynch endlessly vacillates between hollywood conventions and avant garde experimentation placing viewers in the awkward position of not knowing when the image is serious and when it s in jest when meaning is lucid or when it s lost his vexed style in this way places form and content in a perpetually self consuming dialogue but what do lynch s fi lms have to do with religion wilson aims to answer that question in his new book the strange world of david lynch to say that irony especially of the kind found in lynch s fi lms generates religious experience is to suggest religious can be founded on nihilism moreover in claiming lynch s fi lms are religious one must assume that extremely violent and lurid sexual films are somehow expressions of energies of peace tranquility and love wilson illuminates not only lynch s fi lm but also the study of religion and fi lm by showing that the most profound cinematic experiences of religion have very little to do with traditional belief systems his book offers fresh ways of connecting the cinematic image to the sacred experience
