emotions and health 1200 1700 examines the aristotelian and galenic understandings of the passions or accidents of the soul as alterations of both mind and body across a wide range of medieval and early modern cultural discourses aquinas s summa canonization inquests medical and natural philosophical texts drama and the london bills of mortality the essays in this collection focus on notions such as death from sorrow physiological explanations of fear physicians advice on the harmful and beneficial effects of anger and of sex medical and philosophical constructions of the melancholic subject and theological and medical discussions on the impact of music in moderating the passions and maintaining health contributors include nicole archambeau elena carrera penelope gouk angus gowland nicholas e lombardo william f maclehose michael r solomon and erin sullivan

a heartwarming tale of love family and acceptance the love note is a simply gorgeous read in their townhouse in richmond blue and her family are as happy and as close as can be well on the surface at least but with the arrival of a young destitute woman hoping to escape her abusive husband they must finally confront the rifts that keep them apart when they welcome delphine into their home and their hearts they think it s for her benefit only but what they don t realise is that she will bring them together in ways they never thought possible previously published as darling blue

see what people are saying about the love note there were so many things that captivated me her always wonderful writing the gorgeous 1920s world of richmond she evoked so beautifully and the characters who jumped right off the page and were such a complete pleasure to spend time with jenny ashcroft i loved the evocative atmosphere of the 20s the lovely characters and gorgeous descriptions of nature turning of the seasons lucinda riley tracy s meticulous research and lavish prose provide the reader with the complete experience from the intriguing premise i was caught up in the lives of these three women and invested in their stories tracy s depiction of life in richmond in the twenties was spot on and added depth to this glorious novel kathryn hughes the writing is so fresh and exuberant and the characters so warm and lovely it s a book full of sunshine a real treat rachel hore i love tracy s writing it s full of colour and atmosphere with sparkly dialogue and just the right pace to keep you turning the pages gill paul a joy to read the drama rises by subtle tiny increments until at its climax you have to remind yourself to breathe these three women will stay with you for a long long time claire dyer completely delightful i loved it and the 1920s setting is sublime tracy writes with a warmth and authenticity that draws her readers into the delicious world she has created rosanna ley i thoroughly enjoyed escaping into the delicious effervescent world of richmond in the 1920s tracy has such a lovely turn of phrase full of vitality and warmth delightful tor udall it s a simply glorious read one of the best books i ve read in a very long time tracy s writing is so deep and wise and true it captured me from the first word a truly stunning novel nicola cornick

how does exile beget writing and writing exile what kind of writing can both be fuelled by absence and prolong it exile which was meant to imprison her paradoxically gave madame de stael a freedom that enabled her to be as active a dissident as any woman in the late eighteenth and early nineteenth centuries was capable of being repeatedly banished for her nonconformism she felt she had been made to suffer twice over first for political daring and then for daring as a woman to be political a particularly grave offence in the eyes of the misogynist napoleon yet her outspokenness in novels comparative literary studies and works of political and social theory made her seem as much a threat outside her beloved france as within it while her friendship with statesmen soldiers and literary figures such as byron fanny burney goethe and schiller simply added to her dangerous celebrity she preached the virtues of liberalism and freedom wherever she went turning the experiences of her enforced absence into an arsenal to use against all who tried to suppress her even napoleon perhaps her greatest foe conceded from his own exile on st helena that she would last her unremitting activity as a speaker and writer made her into precisely the sort of activist no woman at that time was permitted to be yet she paradoxically remained a reluctant feminist seeming even to connive at the inferior status society granted her sex at the same time as vociferously challenging it and remaining torn by the conflicting demands of public and private life

includes music
