this book reviews one hundred years of educational reforms worldwide characterized by a tension between governing public and professional forces the waves of educational reform reflect myriad efforts to define and fulfill professional and public expectations for the world of education the first wave of reform based on

progressive ideals spread across the globe after world war i striving to place the student at the center of the education process and respond to the diverse needs of children and youth in a world that included massive population shifts the second wave nearly obliterated the ideals of the progressive movement that had prevailed for sixty years drawing its principles from the business world the second wave imposed competition uniform standards and measurable outputs on students teachers and schools even at the cost of harming at risk populations and encouraging the infiltration of private sector values into public education systems the third wave was launched at the turn of the twenty first century seeking to adjust instructional methods to modern reality this reform rejected standardized curricula in favor of developing skills such as independent thinking curiosity innovation collaboration among learners and the ability to mine and process information book i reviews the three waves of reform in the united states england canada japan singapore hong kong australia and finland book ii focuses on israel s education system past present and future

no mission too difficult no sacrifice too great duty first for almost a century from the western front of world war i to the deserts of iraq this motto has spurred the soldiers who wear the shoulder patch bearing the big red one in this first comprehensive history of america s 1st infantry division james scott wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation the oldest continuously serving division in the u s army the fighting first has consistently played a crucial role in america s foreign wars it was the first american division to see combat and achieve victory in world war i and set the standard for discipline training endurance and tactical innovation one of the few intact divisions between the wars it was the first army unit to train for amphibious warfare during world war ii the first division spearheaded the invasions of north africa and sicily before leading the normandy invasion at omaha beach and fighting on through the hurtgen forest the battle of the bulge the ruhr pocket and deep into germany by war s end it had developed successful combined arms regimental combat teams and made advances in night operations wheeler describes the first division s critical role in postwar germany and as the only combat division in europe during the early cold war after returning to the united states at fort riley kansas the division fought valiantly in vietnam for five trying years successfully protecting saigon from major infiltration along highway 13 while pioneering air mobile operations it led the liberation of kuwait in desert storm and kept an uneasy peace in bosnia and kosovo along the way wheeler illuminates the division s organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers meticulously detailed and engagingly written the big red one nimbly combines historical narrative with astute analysis of the unit s successes and failures so that its story reflects

the larger chronicle of America's military experience over the past century

a history of the Urban League that places it within the mainstream of African American thought this book shows the League as a major force for civil rights understanding the roots of the African American search for equality as the author demonstrates is essential both to students of black history and to participants in the ongoing struggle for universal human rights correcting previous interpretations professor moore contends that a number of individuals involved in forming the Urban League rose above the Washington Dubois controversy attending to the needs and aspirations of blacks already acculturated to urban life as well as those who arrived in cities without the skills to prosper in a modern industrial and increasingly complex society the book starts by reviewing the changes psychological educational political social and geographic which American Negroes experienced between 1830 and 1910 in the context of similar if less dramatic changes affecting American whites the record presented here shows that cooperation between the NUL and the NAACP has been the norm despite occasional differences and that the two organizations remain vibrant forces in the search for equality
