empathy has provoked equal measures of excitement and controversy in recent years for some empathy is crucial to understanding others helping us bridge social and cultural differences for others empathy is nothing but a misguided assumption of access to the minds of others in this book cummings argues that empathy comes in many forms some helpful to understanding others and some detrimental tracing empathy's genealogy through aesthetic theory philosophy psychology and performance theory cummings illustrates how theatre artists and scholars have often overlooked the dynamic potential of empathy by focusing on its more monologic forms in which spectators either project their point of view onto characters or passively identify with them

this book therefore explores how empathy is most effective when it functions as a dialogue along with how theatre and performance can utilise the live emergent exchange between bodies in space to encourage more dynamic dialogic encounters between performers and audience

this volume includes gifts of war by fraser grace and the retreating world by naomi wallace it also contains fraser grace s two hander butterfly fingers about a young englishwoman applying for a job at an american airbase and naomi wallace s short play a state of innocence in which an israeli soldier and a palestinian mother mysteriously meet at a run down zoo book jacket
