realities of a true christian encourages professing christians of all ages to walk in godliness humility of heart holiness and piety in life many people will come professing jesus christ at the final hour but many will be cast off forever with such pressing truths resting upon the professing believer author jeremy strang calls attention to the need for personal examination and continual sanctification jeremys clarion call brings to light the realities of christian conversion and the resulting affects of christs work of grace in the true believer lined within the pages of this book you will find hundreds of scriptures and quotes from men such as e m bounds john flavel howard guinness keith green william gurnall matthew henry john owen leonard ravenhill paris reidhead c h spurgeon david wilkerson george whitefield richard wurmbrand and others whether your desire is to grow in your walk with christ or to simply learn more about the realities of christianity this book is for you no grey areas no fiction no superficiality all proceeds benefit gospel for asia who knows the true depth of their sin against god i am thankful to god that i can earnestly say i stand in a heap of sin so insurmountable that if it were not for the grace of jesus christ and his propitiation i would forever be undone by my atrocities against the lord my god author

if accepting the lord jesus christ as one s savior is enough pastor sampong writes why does the holy scripture admonish christians to act differently than before in what is a true christian he offers an intelligent and comprehensive answer to this question to do so he asks further what is repentance what are the spiritual characteristics that separate the wheat from the chaff what specifically is the work of salvation the author is unflinching in his scripturally based and detailed examination of what distinguishes the true christian from the unregenerate sinner this might be a difficult book for those who are lukewarm temporary or who sit on the fence to read but it is a deep and meaningful voyage into discovery of where we place god in our hierarchy of life priorities in the words of bro sampong you can then self examine your christian profession in relation to god s word to determine whether or not you need to reassess your faith and walk with the lord pastor joshua sampong cites the parables of the lord jesus in the bible the writings of charles haddon spurgeon john charles ryle and thomas watson and quotes martin luther in support of his message absolute obedience in christ alone is key the author argues only as a new creation having the faith in god to obey the great commission and reflecting his holiness can a person claim to be a true christian brother sampong grew up in a christian home and currently serves as a co pastor with the fcg church head pastor james ambrose clark iii in trenton new jersey usa

this is the first of four volumes of messages received by james padgett the first edition was published in 1941 and contains the most significant of the spiritual concepts that he learned from jesus and his disciples included in these concepts are the true mission of jesus the structure of the heavens immortality who and what is god the holy spirit the resurrection forgiveness and the vicarious atonement this is an amazingly coherent yet very simple set of teachings cover every question one might have yet these are sadly not the teachings that the churches currently teach even though one can see where in the new testament support lies for what padgett received this edition has dates added and a great many useful footnotes it also has a message from james and helen padgett received in 2014 giving a great many personal details that were not previously known

receiving christ as saviour always leads to serving him as lord

as zelma was lying in her bed about three o'clock in the morning meditating on the lord and on her ministry the anointing of the holy spirit came over her and took control of her mouth as she cried out to god the words she said were so unusual and the answer that she got from god was totally out of the ordinary she said in a loud voice god what is my calling and show me how to use it the answer that she got was unacceptable and she could not believe it because that was not what she had been taught in the church therefore zelma rebuked it in the name of jesus and she said if thats the way hes going to talk im not going to ask him nothing else god told her what her calling was however he didnt tell her how to use it and she wasnt about to ask him how to use it she was offended at his answer but five years later god showed her how to use her calling and it was awesome it was revelation knowledge that only god would know how to tell you

the evangelical church is home to many who claim to follow christ but who show little evidence of a truly transformed life todd wilson s real christian bearing the marks of authentic faith biblically defines what it means to be a true christian calling readers to look at their own lives and diagnose where they aren t living authentically for god with a prophetic voice wilson looks at how we deceive ourselves into thinking we are really living for god through believing the right things or doing lots of spiritual activities in contrast real christians are marked by five key qualities broken hearted joy a humble disposition a readiness to acknowledge sin an ability to live balanced and avoid legalism and a deep spiritual hunger that drives growth all of these qualities culminate in the single defining mark of a real christian love to help in distinguishing genuine faith from counterfeit spirituality wilson draws upon the gospels the writings of paul and the insights of theologian jonathan edwards to help readers understand the necessary marks of an authentic transformed life marks

that show evidence of a new heart and bear spiritual fruit through the work of the holy spirit
