one of the most powerful of the seth books this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential and the concept that we all create our own reality according to our individual beliefs having withstood the test of time it is still considered one of

the most dynamic and brilliant maps of inner reality available today the seth books present an alternate map of reality with a new diagram of the psyche useful to all explorers of consciousness deepak chopra seth was one of my first metaphysical teachers he remains a constant source of knowledge and inspiration in my life marianne williamson i would like to see the seth books as required reading for anyone on their spiritual pathway the amazing in depth information in the seth books is as relevant today as it was in the early 70s when jane roberts first channeled this material louise hay

seth is the acclaimed non physical teacher whose collected works are the most dynamic brilliant and undistorted map of inner reality and human potential available today his articulation of the furthest reaches of human potential the eternal validity of the soul and the concept that we create our own reality according to our beliefs has been presented in books that have sold over 8 million copies and been translated into over a dozen languages seth s empowering voice clearly stands out as one of the major forces which led to the current new age philosophical movement this book chronicles seth s first contact with author and medium jane roberts it is a mixture of great seth excerpts selected by topic and further explained by jane topics covered include afterdeath between lives how to get rid of illness reincarnation why people are born into different circumstances god all that is dreams exercises to develop the inner senses and much more

the words of seth the personality channeled through jane roberts show readers that they possess hidden powers within themselves that have the potential to transform their lives by learning to control their own experiences they can create a new fulfilling reality

from the bestselling author of seth speaks in this second volume of the unknown reality seth radically expands our conceptions of self by showing us that the human personality is literally infinite in its scope and potential he discloses precisely how probable realities combine to create our waking lives and how our higher selves make decisions regarding our everyday existence in a far reaching exploration of the dynamics of desire and free will he asserts that each atom molecule and cell has its own consciousness and powers of choice with humor and simple analogies seth leads us beyond our ordinary level of awareness into a spectacular discovery of the multidimensional nature of the self including consciousness units as the basis of our universe the

relevance of extrasensory perception in understanding our world the worlds we visit in dreams and out of body states dreaming as a science to create present and future realities families of consciousness we choose to belong to practical methods for exploring your own unknown reality there is an unknown reality i am part of it and so are you each individual is a part of the unknown reality to explore the unknown reality you must venture within your own psyche travel inward through invisible roads as you journey outward on physical ones i hope that in this book the reader can see the greater dimensions that touch ordinary living and sense the psyche s greater magic jane roberts speaking for seth

in this brand new volume of original material seth invites us to look at the world through another lens a magical one seth reveals the true magical nature of our deepest levels of being and explains how we have allowed it to become inhibited by our own beliefs and conventional thinking the magical approach teaches us to live our lives spontaneously creatively and according to our own natural rhythms it helps us to discover and tune into our natural instinctive behavior by applying the principles in this book readers will learn to trust their impulses and discover the highest expression of their creativity

hardcover version the early sessions is the material given by seth in the first 6 years of his relationship with jane roberts and her husband rob butts it consists of the first 510 seth sessions dictated by seth and it is published in 9 volumes the early sessions contain teachings and insights from seth on a vast array of topics the numerous gems of seth s wisdom contained in these books will delight seth enthusiasts for years to come and add to the already substantial impact that the seth material has had on new age and metaphysical thought in addition to the intrinsic value of the material the early sessions show the actual evolution of the seth material the first questions asked by jane and rob and the detailed exposition by seth of his philosophy and vision

lynda madden dahl in living a safe universe vols 1 and 2 predecessors to this my seventh of eight seth jane roberts based book i talk about my journey into trust and safety via a specifically identified path of sethian knowledge and an in depth use of the moment point within simultaneous time here we ll broaden our knowledge of the safe universe even further with the introduction of framework 2 and the greater reality from which all other frameworks

spring with this further knowledge we'll see more clearly our role and participation in the safe universe and what it means to both our private creations as well as those shared with others and most importantly we will sense with even deeper understanding our intrinsic safety as an inviolate portion of all that is leading us to a freedom of thought and action unparalleled in today's world book reviews by seth readers lynda's three volumes of living a safe universe are a true tour de force through the seth concepts and offer even the long time seth reader a new perspective on the material and a great motivation to finally shift from a theoretical to a practical level of understanding the selected seth quotes and lynda's comments present a captivating mix that not only lead deeper into seth's philosophy but trigger a comprehension that is a prerequisite for a successful implementation of seth's ideas into one's life lynda herself is a great teacher and true ambassador for the seth material maurizio vogrig co founder of seth verlag the swiss seth publishing house board member of the swiss german seth association this is a wonderful book lynda loves every word of the seth material and it shows as with living a safe universe vols 1 2 this one is another thrilling comprehensive book the result of deep commitment intense study and a loving desire to share practical applications of seth's material as broadly as possible with readers both new and returning lynda has a positive genius for presenting seth and jane's pioneering ideas vibrantly and in a crystal clear format katharine andrews ph d counseling clinical psychology former seth network international editor of the magazine reality change the global seth journal the seth material is the most comprehensive detailed and awe inspiring overview of reality available and lynda is far and away the leading scholar lecturer and interpreter of the material in this third book of her living a safe universe series she takes us behind the logic of creation to reveal how it all comes together and how we can apply this knowledge to stop creating out of fear and instead live in a safe loving and supportive universe all seth readers owe lynda a huge debt of gratitude for this timely and profound insight into the seth material ian french poet musician and practicing idealist lynda has once again demonstrated that she has masterfully grasped the complexities of the seth material in living a safe universe vol 3 she has organized and presented the information into a concise and readily understandable and useable format she makes a difficult job seem easy i thoroughly enjoyed having my mind boggled and my world view once again expanded by reading it bob terrio video producer director of the seth phenomena sethnet 97 and other seth video programs

seth speaking exclusively through jane roberts reveals a startling new concept of self answering questions about the secret language of love human sexuality the real origins and incredible powers of dreams and how we choose our physical death sometimes years in advance for the first time seth explains why love is the basic language from which all others spring the bisexual nature of humanity and its biological and spiritual importance the true basis of homosexuality and lesbianism along with their private and social effects the benefits of recalling our dreams and consciously participating in them how dreams can prevent chronic illnesses by providing important therapeutic information simple exercises you can do to expand your awareness of the deeper portions of your psyche and stretch your abilities to their fullest potential the psyche is a gestalt of aware energy in which your own identity resides inviolate yet ever changing as you fulfill your potentials you are your psyche s living expression its human manifestation yet you allow yourselves often to become blind to brilliant aspects of your own existence jane roberts speaking for seth

in 1963 jane roberts met a spiritual entity named seth he spoke through her and the lessons he taught proved timeless and crucial from 1968 to 1975 roberts held an esp class during which she channeled seth susan watkins was a member of that class the knowledge gained from seth helped watkins and her classmates face serious illness painful relationships financial hardship and natural catastrophe it also changed their lives in addition to being a well written highly entertaining historical account of the late jane roberts and her class conversations with seth reveals the profound insights discovered by class members insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness roberts seth material is consistently one of the top two most visited collections at the yale university archives the story that launched the new age movement

in this first volume of dreams evolution and value fulfillment seth takes us on an odyssey to identify the origins of our universe and our species he asserts that consciousness units form the basis of all energy and matter and charts a conscious self aware universe that is constantly recreated by our own thoughts dreams and desires illuminating the part that humans play in the greater scheme of things he suggests that we are alive not only for the continuation of the species but to add to the very quality of life itself other fascinating topics include the role dreams play in the creation of language and

technology the relationship between genetic heritage and reincarnation how creativity provides a link with the source of all existence the true power of the imagination and the importance of broadening its scope a discussion of value fulfillment or the yearning to enhance the quality of life as a fundamental desire in all life forms stimulating and provocative this long awaited book answers crucial questions about the entire significance of seth s system of thought while chronicling the worsening health problems that led to the death of jane roberts when i speak of the dream world i am not referring to some imaginary realm but to the kind of world of ideas of thoughts of mental actions out of which all form as you think of it emerges in actuality this is an inner universe rather than an inner world your physical reality is but one materialization of that inner organization jane roberts speaking for seth
