Dali's book is by turns joyous excremental spiritual vain sensual didactic innocent all of a piece with its creator the facts of his life are all here from his birth in Spain in 1904 through his studies and his military service and his arrival in Paris and then in the United States and his work not only in painting but also in the ballet in window dressing and in film he discusses the many people he's known and worked with among them Picasso Lorca Buñuel Coco Chanel André Breton and Jean Cocteau but most of all he tells us of himself of his ties with the Spanish earth his love of money his investigations of death the meaning of his art his love for his wife and out of all this emerges not only Dali the self-proclaimed genius but also Dali the vulnerable man his book is a revelation of himself and a landmark in autobiographical literature from publisher's description

maniac eyeball contains the frank and uncensored confessions of salvador dalí from his childhood and first adolescent sexual experiences to his emergence as a painter surrealist and eventually the most famous and possibly richest artist of modern times these inspired tracts covering art love money sex and death fame philosophy science his famous friends and enemies and his extraordinary creative genius reveal the intricate workings of dalí's mind to create not only an unparalleled autobiography but also one of the key surrealist texts yet published this special ebook edition contains colour illustrations

northern irish poets have been notably reticent when addressing political issues in their work in sympathetic ink shane alcobia murphy traces that tendency through the works of seamus heaney paul muldoon and medbh mcguckian using collections of the poets papers made only recently available alcobia murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues he employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works acute and learned sympathetic ink will serve as a perfect introduction to these crucial figures of irish poetry

explores dali's experiments with perspectives offering more than one hundred color and sixty one black and white illustrations of the artist's optical illusions

the recent exhibitions dedicated to botticelli around the world show more than ever the significant and continued debate about the artist botticelli past and present engages with this debate the book comprises four thematic parts spanning four centuries of botticelli's artistic fame and reception from the fifteenth century each part comprises a number of essays and includes a short introduction which positions them within the wider scholarly literature on botticelli the parts are organised chronologically beginning with discussion of the artist and his working practice in his own time moving onto the progressive rediscovery of his work from the late eighteenth to the turn of the twentieth century through to his enduring impact on contemporary art and design expertly written by researchers and eminent art historians and richly illustrated throughout the broad range of essays in this book make a valuable contribution to botticelli studies

a further volume in this series this year discussing not so much food or its preparation as its portrayal in any number of art forms such as popular music crime novels film theatre literature and fine art there are also some papers which concentrate on the art of food or art relating to food an instance is the art of tissue paper orange wrappers a recondite but riveting item my impression when this subject was first mooted was that all contributions would revolve around paintings and high arts i was mistaken there is a remarkable spread the arrangement of 18th century desserts cookery and the cuban santeria religion drink in 19th century english fiction food in film noir the cook as artist in 18th century england architectural food design in france and italy popcorn poetry food and eating in bronte novels and much more these volumes are sometimes indigestible fricassées if swallowed at once but think of them as platters of oysters each may contain a pearl by the finish a bracelet at least perhaps a necklace is the consequence

dante on view opens an important new dimension in dante studies for the first time a collection of essays analyses the presence of the italian medieval poet dante alighieri in the visual and performing arts from the middle ages to the present day the essays in this volume explore the image of dante emerging in medieval illuminated manuscripts and later ideological and nostalgic uses of the poet the volume also demonstrates the rich diversity of projects inspired by the commedia both as an overall polysemic structure and as a repository of scenes which generate a repertoire for painters actors and film makers in its original multimediality dante's commedia stimulates the performance of readers and artists working in different media from manuscript to stage from ballet to hyperinstruments from film to television through such a variety of media the reception of dante in the visual and performing arts enriches our understanding of the poet and of the arts represented at key moments of formal and structural change in the european cultural world

the significance of aubrey beardsley's illustrations and their modernity lies in the discord between ornamental elegance surface and their inner human content symbol pierrot the embryo dwarf the hermaphrodite the image of the woman pan are symbols through which the artist reveals himself and yet simultaneously the meaning of the symbol is neutralized by the use of irony which serves as a mechanism of self defence though much of beardsley's art derives from secondary sources literature theatre music and opera beardsley's book illustrations are not merely literary but are autonomous works of art they convey a competitive tension between words and lines books and drawings the artist's versus the author's personality beardsley the fin de siècle artist belonged to the same zeitgeist as freud and expressed visually certain themes freud was then articulating in this sense his artistic creations anticipated twentieth century art
