oral history gives history back to the people in their own words and in giving a past it also helps them towards a future of their own making oral history and life stories help to create a truer picture of the past and the changing present documenting the lives and feelings of all kinds of people many otherwise hidden from history it explores personal and family relationships and uncovers the secret cultures of work it connects public and private experience and it highlights the experiences of migrating between cultures at the same time it can bring courage to the old meaning to communities and contact between generations sometimes it can offer a path for healing divided communities and those with traumatic memories without it the history and sociology of our time would be poor and narrow in this fourth edition of his pioneering work fully revised with joanna bornat paul thompson challenges the accepted myths of historical scholarship he discusses the reliability of oral evidence in comparison with other sources and considers the social context of its development he looks at the relationship between memory the self and identity he traces oral history through its own past and weighs up the recent achievements of a movement which has become international with notably strong developments in north america europe australia latin america south africa and the far east despite resistance from more conservative academics this new edition combines the classic text of the voice of the past with many new sections including especially the worldwide development of different forms of oral history and the parallel memory boom as well as discussions of theory in oral history and of memory trauma and reconciliation it offers a deep social and historical interpretation along with succinct practical advice on designing and carrying out a project the voice of the past remains an invaluable tool for anyone setting out to use oral history and life stories to construct a more authentic and balanced record of the past and the present

a fiery orator and populist chavez championed socialism in venezuela his legacy blends empowerment of the poor with authoritarian excess and economic chaos

in praying the psalms in the voice of christ frank j matera offers a way to pray the psalms within the liturgy of the hours rooted in the new testament and the great writers of the early church taking his cue from saint augustine matera demonstrates how to hear the voice of christ in the psalms so that they can be prayed in the voice of christ and his body the church in addition to this introduction to a christological reading of the psalms matera also provides a commentary on the psalms as they occur in the four weeks of the divine office

from popular content creator kelsey impicciche voice of the ocean follows a daring young siren who defies her people to save a human prince unearthing ancient magic and igniting a dangerous romance amidst treacherous waters as the youngest daughter of the siren queen celeste s life is tightly controlled desperate to prove her worth she intends to join the chorus an elite group of siren warriors with her final test on the horizon celeste must finally gain control over her temperamental song but when celeste encounters a seemingly harmless ship helmed by the intriguing prince raiden sharp her path veers towards forbidden waters believing the handsome sailor to be innocent of any wrongdoing celeste defies siren law to save raiden s life despite knowing he is the son of a king who has murdered many of her kindred the penalty for celeste s betrayal should be death but the queen offers her an alternative right her wrong by assassinating the prince determined to first discover the

truth behind the prince's clandestine mission. Celeste agrees to become human. The human world is nothing like she expected, nor is the prince the charming and noble man she assumed him to be. But as Celeste finds her place aboard the ship, friendships and attraction begin to grow. Will Celeste be able to save herself, or will her choices unravel a kingdom, devastating sirens and humans alike?
