chronicle of events of the trojan war from the death of hector to the departure of the greeks from troy written about 360 a d

for the nearly three millennia since its creation the iliad s real story has gone undiscovered homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences but this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text living in an age where literacy was minimal homer created this story for the gods and undoubtedly never expected any mortal to understand it homer s imaginative fantasy radically undermines traditional trojan war mythology and exposes the speciousness of war s glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so homer s great war poem great indeed war poem indeed is in its depths antiwar in piecing together the iliad s web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post homeric corruptions to the text we will find an iliad which is not a prelude to achilles glorious early death and the fall of troy but the opposite in a concealed ending

towards which the entire story has been leading homer s own words will tell us how achilles as supplicated by priam chooses a long life without renown and goes home the greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy troy zeus favorite city and best hope for mankind homer tells this story with a brilliance that is almost unimaginable until one actually encounters it the real iliad is an immense intellectual challenge and an inexhaustible source of surprises far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of western antiquity s greatest author

it s the start of the 21st century and a single bullet will change two lives raymond is a shy young man he wishes he d gone to uni but his father wants him in the family business and his father is a gangster and a killer barry wants to be a poet but he s also in his own words a user of the mental health services and his two best friends are the late john lennon and the even later erwin rommel hitler s one time military boss in a yorkshire bus station a shot rings out it s the shot that brings raymond and barry together and sets off a sequence of violent events that ends in terrible murder and even more terrible poetry
