please note this is a summary analysis and review of the book and not the original book isabel wilkerson provides a stunning look into the great migration of black southerners in 20th century america in the warmth of other suns experience wilkerson s in depth view into the personal struggles of being black in america in the century after slavery had ended and beyond this fastreads summary analysis offers supplementary material to the warmth of other suns the epic story of america s great migration to help you distill the key takeaways review the book s content and further understand the writing style and overall themes from an editorial perspective whether you d like to deepen your understanding refresh your memory or simply decide whether or not this book is for you fastreads summary analysis is here to help absorb everything you need to know in under 20 minutes what does this fastreads summary include executive summary of the original book chapter by chapter synopses key takeaways from each chapter editorial review original book summary overview the warmth of other suns is a re telling of the great migration in which six million black southerners migrated to the northern and western regions of the united states in the eight decades between world war i and 1970 this massive true life tale is anchored in the lives of three real life figures ida mae brandon gladney george swanson starling and robert pershing foster who originated from different southern towns and migrated to different urban cities of the north at different times they left for a personal set of diverse reasons and lived unique lives that diverged drastically from one another although they never knew each other and were unaware of their individual roles in one of the largest migrations movements in modern human history these three characters were connected by a shared determination to seek freedom in a shared vision of the north before you buy the purpose of this fastreads summary is to help you decide if it s worth the time money and effort reading the original book if you haven t already fastreads has pulled out the essence but only to help you ascertain the value of the book for yourself this analysis is meant as a supplement to and not a replacement for the warmth of other suns

from an award winning historian of black radical politics comes the definitive biography of audley moore mother of modern black nationalism and trailblazer in the fight for reparations queen mother is a monumental achievement a rendering worthy of the great audley moore herself jelani cobb dean of the columbia school of journalism in the world of black radical politics the name audley moore commands unquestioned respect across the nine decades of her life queen mother moore distinguished herself as a leading progenitor of black nationalism the founder of the modern reparations movement and from her philadelphia and harlem homes a mentor to some of america s most influential black activists and yet she is far less remembered than many of her peers and protégés marcus garvey malcolm x and muhammad ahmad to name just a few and the ephemera of her life are either lost or plundered in queen mother celebrated writer and historian ashley d farmer restores moore s faded portrait delivering the first ever definitive account of her life and enduring legacy deeply researched and richly detailed queen mother is more than just the biography of an american icon it s a narrative history of 20th century black radicalism told through

the lens of the woman whose grit and determination sustained the movement

a complete summary of the warmth of other suns the warmth of other suns the epic story of america s great migration is a book written by isabel wilkerson it is a re telling of the great migration in which more than six million african americans from southern america migrated to the northern and western regions of the united states the period of the great migration happened between wwi and the 1970s in this true story we will read about the lives of ida mae brandon gladney george swanson starling and robert pershing foster all three of them migrated from southern america to different urban areas of the north at different times even though the three never knew each other their goals and their reasons for moving to the north were more or less the same they wanted to seek freedom in a shared vision of northern america and escape the crudeness and harshness of their lives in the south here is a preview of what you will get in the warmth of other suns you will get a full understanding of the book in the warmth of other suns you will get some fun multiple choice quizzes along with answers to help you learn about the book get a copy and learn everything about the warmth of other suns

being a series of questions and answers on practical matters for the information of everybody selected from that department of the inter ocean known as our curiosity shop

published in 2010 the warmth of other suns is a sweeping ethnography of the great migration the mass exodus of african americans from the south to northern and western us cities dating from approximately 1914 1970 the book traces the history of racism in the jim crow south as well as the reasons successes and failures of those african americans who left the place of their birth in order to seek better economic and social opportunities elsewhere in the united states
