a book on the tree of life and the tree of the knowledge of good and evil a biblical study of these two trees reveal that the tree of life represents god s moral law of unconditional agape love and that the tree of the knowledge of good and evil represents a rival law devised by that serpent of old called the devil and satan who deceives the whole world revelation 12 9 the serpent s moral law is powered by force through a system of arbitrary reward and punishment

freedom all the way up proposes four intertwined elements that make up the meaning of life self worth purpose identity and hope materialism atheism claim the universe has no meaning so there is no larger purposeful story into which we can place ourselves we are left on our own to construct meaning for our lives barrigar argues though that the universe possess god s meaning and purpose to provide the space and conditions by which to bring about the existence of agape capable beings in agape loving relationships with god and with others in effect the universe is a great freedom system designed by god with freedom built in all the way up from the big bang to the emergence of big brains and free will barrigar describes the emergence of this system through his novel agape probability account of god s design for the universe which integrates such disciplines as quantum physics statistical mechanics probability theory evolutionary psychology neuroscience and game theory this system sets up the conditions for a fundamental choice between autonomous freedom which focuses principally on self and agapic freedom which focuses principally on god and on others materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning in turns out that nihilism is a much greater problem for materialism than suffering is for theism in contrast agapic freedom infuses self worth purpose identity and hope with god s agape love dispelling materialism s inherent nihilism freedom all the way up provides a dramatic new proposal for god and the meaning of life in our scientific and humanist age

this book appears at a time when theologians are engaged in a widely publicized re examination of the basic tenets of protestant theology understanding god provides an overview of the current debate focusing on the new quest of god as the unifying concern in his attempt to formulate a new approach to god dr herzog explores such related topics as the relevance of the historical jesus the question of man s own being the proclamation and content of the christian word and the problem of language itself as used to describe god he demonstrates that ethical issues raised by the new morality and the secular city are also a part of the discussion about god and he points to the need for a renewal of man s personal and communal existence through worship this fresh articulation of the quest for god in its relation to other contemporary concers will be welcomed by all those who believe that the dialogue now taking place within protestant theology is important publisher

mysterious seed is a compilation of more than 133 powerful daily devotional size teachings designed to move you forward in your spiritual life rather than vague concepts and principles well known author bob mumford plants specific seeds that will grow within the serious believer seeds include getting to know god s seven strands of dna compassion grace slow to anger mercy truth faithfulness and forgiveness

separated from its anchorage in religion ethics has followed the social sciences in seeing human beings as fundamentally characterised by self interest so that altruism is either naively idealistic or arrogantly self sufficient colin grant contends that as a modern secular concept altruism is a parody on the self giving love of christianity so that its dismissal represents a social levelling that loses the depths that theology makes intelligible and religion makes possible the christian affirmation is that god is characterised by self giving love agape then expected of christians lacking this theological background the focus on self interest in sociobiology and economics and on human realism in the political focus of john rawls or the feminist sociability of carol gilligan finds altruism naive or a dangerous distraction from real possibilities of mutual support this book argues that to dispense with altruism is to dispense with god and with the divine transformation of human possibilities

friendship and the moral life is not simply a theoretical argument about how moral theology might be done if it took friendship more seriously rather the book exhibits how without friendship

our lives are morally not worth living the book begins with a consideration of why a new model of the moral life is needed wadell then examines the ethics of aristotle who viewed the moral life as based on a specific understanding of the purpose of being human with friendship being an important factor in enabling people to acquire virtues necessary for achieving this purpose through the thought of augustine aelred of reivaulx and karl barth the question is raised whether friendship is at odds with christian love or whether their relation depends on one s narrative account of friendship thomas aquinas understanding of charity as friendship with god is examined to clarify this relationship by locating friendship within the story of god s redemption through christ wadell helps us see why friendship properly understood is integral to the christian life and not at odds with it such a friendship draws us to love all others who seek god and teaches us not to restrict our concern to a special few in preferential love the book closes by investigating how friendship as a model for the moral life might work in everyday life

the book explores the law the history the poetry the prophets the gospels and the letters endowing awareness and progression of light given throughout the bible to reveal god s love towards mankind in this selective eloquent discussion of god s amazing love pastor jeff rogers challenges us to think outside the box of understanding love and to experience it from a higher perspective pastor jeff has a long standing interest in seeing the church move in the anointing for healing and deliverance and understanding its role in the salvation of israel and wrote a book on the matter he appeared on a tv broadcast network tbn for over 17 years speaking about the things peculiar to the kingdom of god pastor jeff s goal is to see lifeless institutional traditions overcome by families ministering together evangelistically in the order and anointing of the spirit with power gifts and signs that follow his latest undertaking with this book is based on appreciating what we have not seen concerning the love of god

this personal application workbook is to help you apply the scriptural principles presented in the way of agape textbook wherever there is a relationship god s way of agape is needed it really doesn t matter if you ve been a christian seven months seven years or 77 years it doesn t matter how many scriptures you know how many prayers you say how many bible studies you lead or even how many books you write these tools will help you grow day by day you will receive deeper insights into god s character and his great love for you you will also begin to understand your own natural reactions a little more clearly and at the same time learn an alternative way of dealing with them

what is god s love what does it mean to love agapao god what does it mean to love our neighbor as ourselves exploring these and other critical issues nancy and chuck missler show us how we can transform the failures of human love into victories of god s agape love as adjunct professor william p welty of the school of christian apologetics at simon greenleaf university notes only seldom does one come across what one calls a classic work on the christian life yet many of these older classic works are somehow too heavenly minded to be of any earthly good the way of agape will supply much needed counsel in a practical down to earth manner equipping you with just the right tools you need to begin a victorious journey from merely human love to the divine power of christ within

chuck and nancy missler share principles for learning to love and be loved a principle they see as epitomizing the essence of the will of god they call their program the way of agape

there has been a marked revival of interest among philosophers in the topic of friendship this collection of fifteen essays presents an admirable range of the diverse contemporary approaches to friendship within philosophy the book is divided into three sections the first centers on the nature of friendship the difference between friendship and other personal loves and the
