in the most challenging economy of our lifetime where should you turn for guidance to the stories of those who have made it the leaders who battled adversity forged their own paths and succeeded because they knew what made them tick as people everywhere confront the global economic crisis success may seem elusive at best impossible at worst yet history proves that a new generation of success stories will likely emerge from this era of financial chaos and this new book prepares you to be one of those success stories by analyzing the inner qualities that have propelled the forward thinking leaders of our time drive determination and self awareness as strategists for the internationally renowned consumer and political research firm penn schoen berland associates michael berland and douglas schoen are experts in how successful people think and how they win now they share what they ve learned with firsthand accounts from some of the world s most successful people in nearly every field including the founder of starwood resorts a world famous chef restaurateur the ceo of nbc universal a supermodel turned entrepreneur the head of estée lauder the commissioner of the national hockey league the president of hearst magazines and the creator of cbs s 60 minutes berland and schoen have discovered that true success is about more than winning true success has an emotional quotient it s about determining your innate strengths deciding what you truly want and striving tirelessly to achieve it berland and schoen describe the

five archetypes of success visionaries natural born leaders do gooders independence seekers and independents who follow their dreams in this unprecedented collection of stories from some of the most successful people in fashion sports entertainment and business schoen and berland demonstrate that success isn't about changing who you are rather it's about figuring out what makes you tick and leveraging that knowledge to your advantage this book shows through compelling first person storytelling that the most successful people understand their own natural abilities and how to use their best qualities to create a fulfilling life and then tells you how to do the same
