collage has enjoyed a resurgence in popularity during the twenty first century resulting in an explosion of creativity this showcase of cutting edge contemporary art from across the globe features

galleries of collage by 30 practitioners from the surreal landscapes of beth hoeckel to fabien souche s humorous appropriations of pop culture each artist has also created a new piece especially for this book all using the same original image but with results as wildly diverse as the medium of collage itself this collection is visual inspiration for art lovers and an appreciation of the transformation of old into new

collage an art form existing at the intersection of design commerce and abstract expression

v 1 spontaneous irreverent personal collage fits more perfectly into our current age than almost any other artistic technique the technique of collage fits perfectly into our current age raw visual material is collected by an artist and then combined in such a way as to abstract the individual elements enough that the artist s own vision becomes prominent because collage s references range from other artistic works and techniques to scientific images pop culture and erotica these raw materials reflect humanity s collective visual memory and context it s collage s broad scope and irreverence that make this technique so interesting for both artist and audience so it comes as no surprise that a lively scene has developed around contemporary collage in the last few years our book cutting edges was the first to document work by this scene which has continued to expand the possibilities of the genre beyond the lowbrow movement which brings a fresh perspective to figurative surrealism more and more established artists are now embracing this medium their work bridges the historical gap between the classic pioneers of the technique from the 1920s and today s vanguard of contemporary collage showcasing outstanding current artwork and artists the age of collage is a striking documentation of this new appetite for destructive construction the book also takes an insightful behind the scenes look at those working with this interdisciplinary and cross media approach while illustration painting and photography continue to fundamentally influence collage the featured work also plays with elements of abstraction constructivism surrealism and dada collage gives artists more room to stake out diverse artistic positions than almost any other existing technique through confident cuts brushstrokes mouse clicks or pasting collage gives the impossible a tangible form while turning our worldview on its head along the way in their visual confrontation with reality in our digital age which has already made geographic temporal and artistic boundaries obsolete these artists celebrate and exaggerate simultaneousness v 2 collage is as topical as ever the age of collage vol 2 is a striking collection of work that ranges from subversive to museum

worthy while some examples make explicit statements others are gloriously dada amazon com

cutting edges documents the new heyday of collage in current art and visual culture today s artists illustrators and designers are increasingly drawn to this artistic technique by the challenges of seamlessly melding traditional craftsmanship with skilled computer montage they are not only composing a wide variety of visual elements but are also deliberately omitting deleting and destroying them this book is an inspiring collection of these unique examples of contemporary collage

collage by women presents a selection of works by 50 international women collagists and centres on the creative processes of artists that should be on our radar through an impressive variety of manual and digital techniques topics and aesthetic choices accompanied by texts that provide in depth approaches to the work of each one of the featured artists

curated by ryan doyle and mark edwards who work together under the name of dr me cut that out focuses on the compositions of 50 leading designers and studios from 14 different countries for whom collage has been the key to creating vibrant effective work among them hort paul sahre and atelier bingo each of them uses collage techniques in spectacularly inventive and diverse ways and materials range from the found or rediscovered old magazines coloured paper beads or images from the internet to those produced by the artists themselves such as drawings photographs or scraps from previously discarded projects as well as the diverse cutting edge work featured throughout each profile includes a q a with the artist that serves to both put the work in context and highlight the visual differences between each designer by exploring their varying methods and attitudes towards collage cut that out is a rich seam of inspiration to be mimed by all students and graphic designers who wish to explore the creative possibilities of collage in their work
