blacksmithing in the modern age has become as much about art as it is about shaping metal the artist blacksmith must rely on an ability to design to produce original and enduring metalwork turning steel into sculpture welding details together in the forge casting around for ideas the artsmith must look at many influences from nature to architecture and beyond this book looks at

the unique design approaches and influences of metal artists from sketching with wire to paper templates from the natural world to historical references artist blacksmiths develop their ideas and hone their techniques the variety of methods employed is endless and their ingenious solutions endlessly fascinating david freedman an artist blacksmith for over 20 years draws upon his own work and influences as well as the masterful work of blacksmiths and metal artists he admires with design sketches scribbles photos and ideas from diverse strands of the craft david looks at what makes good craft skills into great pieces of art providing inspiration for anyone interested in metalwork and design artist blacksmith design features the work and design ideas of seasoned artist blacksmiths brian russell and stephen rook as well as the unique work of bex simon and incredible wire work of portuguese artist david oliveira

david freedman has taken the art of blacksmithing in a new direction his metal work ranges from giant insects in the woods of scotland to seaweed inspired gates on the cornish coast ethereal deer in the ancient forests of england and organic seats in some of the uk s finest historic gardens david s unique sculptural metalwork is shown here at its best set within the landscape that inspires its creation david has been forging creative metal sculptures delicate copper water features decorative wrought ironwork gates and much more for over 20 years from his backyard workshop in the uk rather than a beginner s guide or a blacksmithing manual this book is more than a catalogue of david s work with stunning photographs design notes and sketches as well as perspectives from blacksmiths around the world and a look into the forge past and present giving a unique window into the ancient yet ever evolving blacksmith s craft this collection is also a source of inspiration for those interested in garden design and garden art as well as public sculpture david is also a writer of articles and fiction his children s book stunt crow is available on amazon and jewel of the brook is forthcoming

the artist blacksmith is the essential handbook for anyone interested in bringing a creative contemporary approach to this ancient craft and for those

already hooked who want to improve and expand their skills

the art and craft of the blacksmith is a visually stunning introduction to the tools techniques and traditions every modern smith needs to know

the artist blacksmith s craft published in 1935 and my life as artist blacksmith published in 1941 are the literary legacy of julius schramm and offer a strong encouragement for renewal here in the united states just as they did during their day in germany this edition contains the text of both books schramm s words in the artist blacksmith s craft speak to blacksmiths today with just as much importance as they did when he wrote them at the age of seventy schramm s my life as artist blacksmith provides us with the philosophy of his craft sharing the integrity and enthusiasm that he had for his work at the forge francis whitaker has been responsible for getting the schramm books published he suggested the books be translated by robert ruhloff and be published by skipjack press whitaker proudly carries on this tradition of blacksmithing gives us the final word on the contributions julius schramm we all took great pains to satisfy the master and in return had our own satisfaction in doing a fine job a year with yellin two years with schramm set the pattern for the rest of my life the pursuit of perfection

the blacksmith was once crucial to village life whether commissioned for the humblest repair the most luxurious ironwork or even the odd anvil marriage occupying prime position in the village the forge attracted custom from miles around and was a hive of industry and social interaction david l mcdougall here describes the varied work blacksmiths undertook the tools and techniques they used and the magical and mystical qualities with which they were associated if you want to know more about the rise and fall of the country blacksmith and the recent revival of the craft this colourfully illustrated book is the ideal introduction

transforming unlikely pieces of scrap metal into significant works of art giving new life to things we throw away is an accessible creative and fulfilling activity

this book describes and illustrates the concerns and techniques involved in making this kind of sculpture looking behind the work at the richness and diversity of an area of sculpture that deserves to be far better known topics covered include the role and purpose of sculpture the particular qualities of sculpture made from scrap metal and the practical processes involved in its making it also covers sources of scrap metal identifying metals reviewing metalworking techniques creative approaches different types of sculpture and the making finishing and installation of pieces of sculpture this book will be of great interest to blacksmiths sculptors and metalworkers and is beautifully illustrated with 108 colour photographs from work by professional sculptors and students showcasing a range of different approaches

vols 1 2 include a syntopical index to current electrical literature

are you looking for inspiration for a new garden or do you want to do something with the one you already have or is it that you just want to daydream and let yourself be carried away by beautiful garden scenes this beautifully presented book brings a fresh and contemporary view of the garden as a welcoming place where you can live well and spend delightful moments with your loved ones the carefully selected photographs by top photographers have managed to capture not only design of the highest quality but also the enchanting atmosphere and genius loci of many magical little corners of gardens this book will guide you from your initial thoughts and planning through examples of design in various completed gardens to specific practical advice and tips your guide to the dream garden that will add a new dimension to your life is ferdinand leffler a successful and well known landscape architect author of many award winning designs and completed projects in the czech republic and abroad he is also the face of the tv programme ferdinand s gardens and owner of the design studio atelier flera ferdinand leffler has achieved success in both private and professional spheres of life it s enough to talk with him for a while to understand why the blend of his easy going manner rational approach and detached perspective is literally contagious ondřej krejčí d m a zahrada house and garden
