expanded and revised to cover recent developments this text should tell you what you need to know to become a better listener and buyer of quality high fidelity components  
new sections include super audio cd high resolution audio on dvd and single ended amplifiers

by reading this summary you will discover why it is fundamental to rethink your relationship to screens and interfaces in the development of innovative technologies publisher s  
description

ao ler este resumo o senhor vai descobrir por que é fundamental repensar sua relação com as telas e interfaces no desenvolvimento de tecnologias inovadoras o senhor descobrirá também por que desenvolvemos uma relação conflitante com a tecnologia o que é uma interface e qual é a diferença entre ui e ux que a inovação não significa necessariamente desenvolver uma interface como é possível pensar em tecnologia de maneira mais simples como colocar computadores a nosso serviço em vez de usá-los quais são os desafios para uma melhor inovação tecnológica para satisfazer nossas novas necessidades temos visto um grande número de aplicações móveis e tecnologias baseadas em telas florescerem essas interfaces entre o usuário e suas necessidades diárias dão à tecnologia um lugar cada vez mais importante em nossa vida em vez de nos poupar tempo ela se torna invasiva e exige que passemos cada vez mais tempo interagindo com uma interface no entanto temos os meios para pensar em inovações mais intuitivas que não requerem uma interface para funcionar para fazer isso precisamos tomar consciência de nossa relação com a tecnologia a fim de nos reorientarmos para a realidade das necessidades o que é uma boa inovação novas tecnologias podem nos levar a administrar melhor nosso tempo e até a salvar vidas sem nos pedir que passemos ainda mais tempo diante de uma tela e se a melhor interface não for nenhuma interface
