black enterprise is the ultimate source for wealth creation for african american professionals entrepreneurs and corporate executives every month black enterprise delivers timely useful information on careers small business and personal finance

memoirs of the dukes of urbino volume i of 3 but dennistoun s dukes of urbino is not merely a history of the houses of montefeltro and della rovere of viii their famous and most brilliant court and of that part of italy over which they held dominion but really a work in belles lettres too discursive and amusing as well as instructive it deals not merely with history as it seems we have come to understand the word a thing of politics in this case the futile and childish politics of the fifteenth and sixteenth centuries in italy but illustrates the arms arts and literature of italy from 1440 to 1630 and indeed this programme was carried out as well as it could be carried out at the time these volumes were written the book which has long been almost unprocurable is full as it were of a great leisure crammed with all sorts of out of the way learning and curious tales and adventures sometimes failing in art and often we may think in judgment dennistoun never fails in this that he is always interested in the people he writes of interested in their quarrels and love affairs their hair breadth escapes and good fortunes how eagerly he sides with duke guidobaldo chased out of his city of urbino by cesare borgia it is as though he were assisting at that sudden flight at midnight and whole heartedly the duke s man as he was almost fails to understand what cesare was aiming at and quite fails to see what cesare saw too well the helplessness of italy at the mercy really of the unconscious nations of the modern world

such failures as this make his work indispensable as it is less valuable than it might have been but they by no means detract from the general interest of the story that is a quarry from which much has been hewn and a good many of those enduring blocks which go to make up so popular and charming a work as John Inglesant came in the first instance from Dennistoun's volumes

chiefly a record of the life and descendants of Washington Duke he was born 20 Dec 1820 to Taylor Duke and Dicey Jones he married Mary Caroline Clinton in 1842 they were the parents of two children she died in 1847 he married Artelia Toney in Dec 1852 they were the parents of three children she died in 1858 he died 8 May 1905

contains information of use to land use planners farmers foresters and agronomists in evaluating the potential of soils in the county contains predictions of soil behavior for selected land uses gives a brief historical and geological overview identifies properties of all types of soils and describes their formation tables show data on temperature and precipitation growing season freeze dates in spring and fall prime farmland woodland management and productivity recreational development wildlife habitat building site developments sanitary facilities water management engineering index properties soil and water features and classification of soils

the declaration you don't have a choice you will return with me to England the deed in the dark of night British spy Christian Seaton Duke of Sutherland abducts Lisette Dupr le and flees French mercenaries in a race against time

arranged alphabetically from Alice of Dunk's Ferry to Jean Childs Young this volume profiles 312 black American women who have achieved national or international prominence
