newsinger challenges the claim that the british empire was a kinder gentler empire and suggests that the description rogue state is more fitting in a wonderful popular history of key episodes in british imperial history he illustrates the darker side of the glory years britain s deep involvement in the chinese opium trade gladstone s maiden parliamentary speech defending his family s slave plantation in jamaica paying particular attention to the strenuous efforts of the colonised to free themselves of the motherland s baleful rule

radio 4 book of the week shortlisted for the james tait black prize the jhalak prize the bread and roses award longlisted for the orwell prize for

political writing this is the book i ve been waiting for for years it s personal historical political and it speaks to where we are now benjamin zephaniah i recommend natives to everyone candice carty williams from the first time he was stopped and searched as a child to the day he realised his mum was white to his first encounters with racist teachers race and class have shaped akala s life and outlook in this unique book he takes his own experiences and widens them out to look at the social historical and political factors that have left us where we are today covering everything from the police education and identity to politics sexual objectification and the far right natives speaks directly to british denial and squeamishness when it comes to confronting issues of race and class that are at the heart of the legacy of britain s racialised empire natives is the searing modern polemic and sunday times bestseller from the bafta and mobo award winning musician and political commentator akala the kind of disruptive aggressive intellect that a new generation is closely watching afua hirsch observer part biography part polemic this powerful wide ranging study picks apart the british myth of meritocracy david olusoga guardian inspiring madani younis guardian lucid wide ranging john kerrigan tls a potent combination of autobiography and political history which holds up a mirror to contemporary britain independent trenchant and highly persuasive metro a history lesson of the kind you should get in school but don t stylist

the trouble with empire contends that dissent and disruption were constant features of imperial experience and that they should therefore drive narratives of the modern british imperial past moving across the one hundred years between the first anglo afghan war and gandhi s salt marches the book tracks commonalities between different forms of resistance in order to understand how regimes of imperial security worked in practice this emphasis on protest and struggle is intended not only to reveal indigenous agency but to illuminate the limits of imperial power official and unofficial as well pax britannica the conviction that peace was the dominant feature of modern british imperialism remains the working presumption of most empire histories in the twenty first century the trouble with empire in contrast originates from skepticism about the ability of hegemons to rule unchallenged and about the capacity of imperial rule to finally and fully subdue those who contested it the book follows various forms of dissent and disruption both large and small in three domains the theater of war the arena of market relations and the realm of political order tracking how empire did and did not work via those who struggled against it recasts ways of measuring not simply imperial success or failure but its very viability across the uneven terrain of daily power the trouble with empire argues that empires are never finally or fully accomplished but are always in motion subject to pressures from below as well as above in an age of spectacular insurgency and counterinsurgency across many of the former possessions of britain s global empire such a genealogy of the forces that troubled imperial hegemony are needed now more than ever

this book is based on collective research carried out during the 1980s this edition appears ten years after the original publication in french since then we have experienced many changes in the late decade disciplines have changed as have the societies being researched the outbreak of aids in africa and the industrial world is not the least of these major and influential changes the reader today will be sensitive to these changes and this research maintains its value as an intellectual endeavour and a useful model

from poisoned water and police violence in our cities to gun massacres and hate mongering on the presidential campaign trail evidence that america is at war with itself is everywhere around us the question is not whether or not it's happening but how to understand the forces at work in order to prevent conditions from getting worse henry a giroux offers a powerful far reaching critique of the economic interests cultural dimensions and political dynamics involved in the nation's shift toward increasingly abusive forms of power his analysis helps us to frame critical questions about what can and should be done to turn things around while we can reflecting on a wide range of social issues giroux contrasts donald trump's america with sandra bland's to understand who really benefits from politically fueled intolerance for immigrants communities of color muslims low income families and those who challenge state and corporate power a passionate advocate for civil rights and the importance of the imagination giroux argues that only through widespread social investment in democracy and education can the common good hope to prevail over the increasingly concentrated influence of extreme right wing politicians and self serving economic interests praise for america at war with itself this is the book americans need to read now no one is better than henry giroux at analyzing the truly dangerous threats to our society he punctures our delusions and offers us a compelling and enlightened vision of a better way america at war with itself is the best book of the year bob herbert distinguished senior fellow at demos and former op ed columnist for the new york times in this current era of corporate media misdirection and misinformation america at war with itself is a must read for all americans especially young people henry giroux is one of the few great political voices of today with powerful insight into the truth dr giroux is defiantly explaining against the grain what's really going on right now and doing so quite undeniably simply put the ideas he brings forth are a beacon that need to be seen and heard and understood in order for the world to progress julian casablancas in america at war with itself henry giroux again proves himself one of north america's most clear sighted radical philosophers of education culture and politics radical because he discards the chaff of liberal critique and cuts to the root of the ills that are withering democracy giroux also connects the dots of reckless greed corporate impunity poverty mass incarceration racism and the co opting of education to crush critical thinking and promote a culture that denigrates and even criminalizes civil society and the public good his latest work is the antidote to an alarming tide of toxic authoritarianism that

threatens to engulf america the book could not be more timely olivia ward toronto star america at war with itself makes the case for real ideological and structural change at a time when the need and stakes could not be greater everyone who cares about the survival and revival of democracy needs to read this book kenneth saltman professor university of massachusetts dartmouth author of the failure of corporate school reform henry a giroux s most recent books include the violence of organized forgetting and america s addiction to terrorism a prolific writer and political commentator he has appeared in a wide range of media including the new york times and bill moyers

bri lee best selling and award winning author of eggshell skull asks who gets to be smart in this forensic and hard hitting exploration of knowledge power and privilege debate done with absolute verve with eloquence and generosity christos tsiolkas author of damascus fascinating eye opening a sharp wake up call flex mami lillian ahnenkan author of the success experiment thoughtful surprising and exquisitely written bri lee once again challenges us to confront the structures that shape and restrict our understanding of the world maddison connaughton editor of the saturday paper in 2018 bri lee s brilliant young friend damian is named a rhodes scholar an apex of academic achievement when she goes to visit him and takes a tour of oxford and rhodes house she begins questioning her belief in a system she has previously revered as she learns the truth behind what virginia woolf described almost a century earlier as the stream of gold and silver that flows through elite institutions and dictates decisions about who deserves to be educated there the question that forms in her mind drives the following two years of conversations and investigations who gets to be smart interrogating the adage knowledge is power and calling institutional prejudice to account bri once again dives into her own privilege and presumptions to bring us the stark and confronting results far from offering any equality of opportunity australia s education system exacerbates social stratification the questions bri asks of politics and society have their answers laid bare in the responses to the ramsay centre for western civilisation covid 19 and the black lives matter protests of 2020

at a time when george bush is promising to rain death and destruction on the iraqi people this primer on war and imperialism by such prominent anti imperialist writers as tony benn and george monbiot deepens our theoretical understanding of modern imperialism looking at the nature of us imperialism its effect on racism and civil liberties the role of such institutions as the un and the imf and the effects on such regions as iraq the balkans and israel this is an invaluable book for all those who are increasingly concerned about the situation in the middle east

with a precise economy of language and unsentimental intelligence these stories show people confronting the central dualities of a complex world

black and white colonialism and revolution america and the third world and femininity and masculinity
