schnitzler described reigen his loose series of sexual sketches as completely unprintable the company that first presented them was prosecuted for obscenity in 1921 it was only when max ophuls made his famous film in 1950 that the work became better known as la ronde now david hare has re set these circular scenes of love and betrayal in the present day using as much imaginative freedom in his turn as ophuls did fifty years ago and with just two actors playing all of the parts hare has created a fascinating landscape of dream and longing which seems both eternal and bang up to date

this book aims to explore which plays were deemed suitable to be reworked for foreign or local stages what transformations linguistic semiotic theatrical were undertaken so as to accommodate international audiences how national literary traditions are forged altered and diluted by means of

transnational adapting techniques and finally to what extent the categorical boundaries between original plays and adaptations may be blurred on the account of such adjusting textual strategies it brings together ten articles that scrutinise the linguistic social political and theatrical complexities inherent in the intercultural transference of plays the approaches presented by the different contributors investigate modern british theatre as an instance of diachronic and synchronic transnational adaptations based upon a myriad of influences originating in and projected upon other national dramatic traditions these traditions rooted in relatively distant geographies and epochs are traced so as to illustrate the split between the state imposed identity and personal subjective identity caused by cultural negotiations of the self in an age of globalism international frontiers are thus pointed at in order to claim the need to be transcended in the process of cultural re appropriation associated with theatre performance for international audiences
