from the 1 new york times bestselling author of *bared to you* plenty of sizzling passion and dangerous drama booklist though he's experienced much as an agent to the crown nothing incites marcus more than the primal hunger roused by his former fiancée lady elizabeth it's been years since she jilted him for another man but that only means there's a lot to catch up on a lot to make up for and that he's going to enjoy every sweet moment the same drive and passion that sent her into another man's arms is what brings elizabeth back to marcus her attraction to him is the one thing she fears but she's run out of options resisting is impossible but does she have the courage to surrender everything praise for sylvia day and her novels *bared to you* obliterates the competition unique and unforgettable joyfully reviewed the undisputed mistress of tender erotic romance teresa medeiros

captivated by you crossfire series book 4 is built using alternating chapters from the two main characters gideon's and eva's first person perspectives *captivated by you* uses a unique and most refreshing literary device for romance genre and one which proves emotionally anchoring for the reader and the couple also unlike many other romance flicks this book attempts to bring in and deal with some weightier real life issues the narrative in this book is female focused as every attention is given to what we know about female readership preferences our male hero gideon is attentive rich good looking and bonus cherry on top yes ladies he cooks in the kitchen not just in bed eva and most female readership will resonate with his continual dating gideon is very needy on the love he both gives to and gets from eva this is so much so that the book's title *captivated by you* is understated and might be better renamed can't live an hour without you yes it's a tongue in cheek title or at least his tongue in her cheek's title the two main characters are gideon the book's central character and eva the protagonist gideon and eva are two professional 20 somethings and painfully needy largely their neediness stems from their abusive sexual pasts while both characters come from prior dysfunction they meet their codependent states mostly with boxers down and skirts up in this novel

sex is the glue holds all chapters together there is monday night sex early morning sex wet shower sex dry sex make up sex midday sex weekend sex after work sex and sex after sex and yes this sex starts to wear thin as likely so do the sheets about chapter 10 or 11 however somewhere between psychosis and gratification the two seem to truly love one another as even the primal nature of the page garners gideon s angel mine and reflective poetry the softness of gideon s poetic times provide balance for the violent foreshadowing which may be occurring in day s narrative download your copy today available on pc mac smart phone tablet or kindle device c 2015 all rights reserved
