the book of abramelin is the first modern translation of this magical work since matthers original translation over 100 years ago not only is the language updated but georg dehn the compiler and editor has sourced his work from all extant manuscripts while matthers used just one the result is a stunning new translation that has already set the occult world abuzz it includes voluminous important material left out of matthers work including an entire part 2 filled with magical recipes important distinctions in the knowledge and conversation of the holy guardian angel ritual and complete word grids that were only partially completed by matthers this is an essential work for any serious practicing magician or student of occult history

this is a new and expanded second edition of the book of abramelin a modern classic of magic since it was first published in english by ibis press in 2006 the new material includes copious footnotes and an extensive index it is the first modern translation of this critical magical work since s l macgregor matthers s original translation over 100 years ago not only is the language updated but georg dehn the compiler and editor has

sourced his work from all extant manuscripts whereas mathers used just one the result is a stunning new translation which has already set the occult world abuzz

responding to the surging interest among students for information on topics relating to magic witchcraft the supernatural and other mysterious phenomena gale presents this in depth comprehensive 3 vol set information is arranged in an objective manner presenting varying viewpoints when appropriate and is written at a level that younger students and researchers can understand chapters offer a thorough look at the history of each topic and cover the people and practices as well as popular literature television programs and movies related to the subject other features include approximately 300 photos and illustrations making the connection a detailed glossary delving deeper a helpful further readings section cumulative index sidebars highlighting unusual facts features and people as well as related books films sites and other sources of relevant information

publisher description

the sacred grimoire of abremelin how to conjure the guardian angel the story tells that abraham of worms traveled to egypt where he encountered abramelin a wise elder abramelin imposed upon abraham a life commitment according to divine law and after testing him entrusted him with two manuscripts containing the divine science and the true magic which abraham was to copy and keep with discretion among the teachings contained in these manuscripts are the practices for conjuring the holy guardian angel this book is a clear practical and deeply reverent gateway to reestablish real contact with the highest of spiritual presences angels are the most powerful beings in the created universe whose authority surpasses that of any other spiritual force based on abramelin s sacred system the practices described here make it possible to break through the barrier that daily life and opposing energies have erected between you and your guardian angel the protection born of this reconnection is tangible and compassionate it repels evil calms the mind rekindles joy and illuminates decisions under the care of the holy angel paths of complete healing physical mental and spiritual are opened and harmful patterns and bonds of negativity that weigh upon life are dissolved this is a work for those who seek true assistance and reliable guidance far from vanity and dangerous curiosities on the path toward sincere and effective spirituality if you are

wizards have always been powerful iconic figures baker focuses on various individuals real and mythical and their lives powers and impact on history he also offers wider insights into the practical uses of magic such as spells and talismans and the origins of secret magical societies

fresh ideas for the modern mage lie at the heart of this thought provoking guide to magic theory approaching magical practice from an information paradigm patrick dunn

provides a unique and contemporary perspective on an ancient practice imagination psychology and authority the most basic techniques of magic are introduced first from there dunn teaches all about symbol systems magical artifacts sigils spirits elementals languages and magical journeys and explains their significance in magical practice there are also exercises for developing magic skills along with techniques for creating talismans glamours servitors divination decks modern defixios and your own astral temple dunn also offers tips on aura detection divination occult networking and conducting your own magic research

chances are that you ve heard of tantra and taoist sexual practices now as a result of studying the inner mysteries of alchemy donald tyson presents a western system of sacred sexuality in sexual alchemy here you will learn how to have erotic relationships with loving spirits that means the methods presented here can function as a western alternative to eastern sexual practices they also can be used by a solitary person and need not depend upon the participation of a partner the first part of this book presents a history of sex with spirits it also goes into the secrets of eastern internal alchemy and how the books of western alchemy often made secretive references to sexual magick you will also learn how to create a physical representation of the spirit you are going to use as a partner the second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself this includes techniques of diet exercise breathwork banishings purifications and finally an invocation ritual to summon the spirit who is going to be your lover then you will learn the previously hidden secrets of having sex with a spirit lover you ll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy and then when you have accomplished your ritualized mating you will learn how to collect and use the resulting highly charged fluids for magical purposes everything we are everything we have is a gift from the divine doesn t it make sense that we use all of our abilities to honor the source from which they came that means we can even make use of our sensual natures to honor the gods if you want to follow a system based on western traditions this book can be your guide

in hidden wisdom richard smoley and jay kinney guide you through the tremendous heritage of the mystical teachings of the west hidden wisdom describes and explores teachings ranging from kabbalah gnosticism and sufism to shamanism the gurdjieff work neopaganism and mystical christianity smoley and kinney present the history and ideas strengths and weaknesses of each tradition as well as provide a wealth of resources for future study book jacket title summary field provided by blackwell north america inc all rights reserved
