paralleling shanghai s extraordinary transformation into an ultra stylish modern metropolis and its phenomenal rise on the international stage the city s landmark waterfront the bund once the wall street of asia is again in the limelight as a charismatic world class destination for life s finest pleasures

this volume provides an annotated bibliography of the western and chinese literature on jesus christ in china it is a sequel to the interdisciplinary collection on the manifold faces and images of jesus throughout chinese history from the tang dynasty 618 907 to the present time the present bibliography broadens and deepens the above mentioned subject matter and also points out aspects which have been addressed in the contributions and anthologies of the previous volumes of the chinese face of jesus christ but which have not been treated thoroughly another aim of this bibliography is to initiate and enable further research particularly in china it includes bibliographical data from the beginning of the introduction of christianity to china until the year 2013 occasionally also until 2014 a list ofkey references enables the reader to identify important works on main topics related to jesus christ in china some examples of book covers and title pages are included in the section ofillustrations other volumes of the collection the chinese face of jesus christ are in preparation vol 3c will present longer quotations from the sources listed in the present bibliography vol 4b will contain a general index with glossary and vol 5 will deal with the iconography of jesus christ in china

the years from 1928 to 1937 were the nanking decade when the chinese nationalist government strove to build a new china with western assistance this was an interval of hope between the

turbulence of the warlord ridden twenties and the eight year war with japan that began in 1937 james thomson explores the ways in which americans both missionaries and foundation representatives tried to help the chinese government and chinese reformers undertake a transformation of rural society his is the first in depth study of these efforts to produce radical change and at the same time avoid the chaos and violence of revolution despite the conservatism of the right wing in the kuomintang party dictatorship this nanking decade saw many promising beginnings american missionaries the largest group of westerners in the chinese hinterland often took the initiative locally and some rallied to support of china s first modern minded government they assisted both in rural reconstruction programs and in efforts of at ideological reform thomson analyzes the work of the national christian council in an area of kiangsi province recently recovered from communist rule he also traces the deepening involvement of missionaries and the chinese christian church in the new life movement sponsored by chiang kai shek unhappily aware of the sharpening polarization of chinese politics these american reformers struggled in vain to steer clear of too close an identification with the ruling party yet they found themselves increasingly identified with the nanking regime and their reform efforts obstructed by its disinclination or inability to revolutionize the chinese countryside in this way american reformers in nationalist china were forerunners of subsequent american attempts under government sponsorship to find a middle path between revolution and reaction in other situations of national upheaval for this book james thomson has used hitherto unexplored archives that document the participation of american private citizens in the process of chinese social economic and political change
