what began as a blueprint for getting hired has grown into a full behavioural framework for building a sustainable professional career refined restructured and shaped by three decades of lived insight

are you ready to discover the truth about the secret elimination process do you know that airlines use hidden surveillance and undercover officers to eliminate 90 of unsuspecting candidates as early as possible and do you know that you are up against a strict set of hidden criterion and secret

discriminations these are just a few of the tactics that airlines use to make sneaky elimination choices during the selection process by understanding the process from the inside you can avoid being slaughtered by the underhand tactics and you can tip the balance of power in your favour so that you become the one who is doing the screening not the airline within this guide you will not find pages of information informing you about the duties history and roster structures and neither will you find average advice that will have you looking and sounding like everyone else this book is raw and will take you behind the scenes to reveal secrets that airlines don't want you to know the information is universal revealing how candidates are screened and hired all across the world from the largest international carriers to the smallest national operators the information is timeless so you will not find outdated or irrelevant advice and most importantly it is uncensored for the first time you be shown how to avoid the common traps and pitfalls and the true reasons why no airline will ever tell you why you were unsuccessful in your pursuit whether you are a seasoned applicant who is finding yourself frustrated at another unsuccessful attempt or are a new candidate looking forward to your first interview the insider secrets and step by step guidance will give you a huge lead over the competition

the cabin crew interview made easy has it changed your life yet airline cabin crew has always been a highly sought after and competitive career option however following the recession of 2009 the competition is higher then ever before so how can you stand out as the best candidate for the job the secret to giving an interview performance that will ensure your success is to plan prepare and organise a winning strategy and this comprehensive guide will help you do just that in this ultimate edition the mystery surrounding the process has been removed as every aspect is described in detail common faults are highlighted and tips tricks and secrets are revealed not sure how to approach a telephone screening concerned about interview questions unsure what to expect at the group assessment what about the dreaded tests want to know how to make your application form appealing what about the photographs and resume maybe you are in need of some suggestions for how you should dress and style your hair what about makeup all this and so much more is covered in this ultimate edition a key feature of this book and possibly the most important element is the question and answers section this guide analyses over 300 of the most common questions in terms of what exactly the recruiter is looking for and then provides sample answers for each of them the answers cover a variety of topics and address traditional style questions as well as over 40 competency based ones to further prepare you there is also a simple four step process to follow which will enable you to formulate your own clear concise and well constructed answers based on your own circumstances nothing quite like it exists in competing titles

the cabin crew interview made easy isn't so much a training program as it is an implementation program. I've taken everything I've learned from my own career success alongside the 17 years of research into the cabin crew selection process plus the results obtained from thousands of readers since the first edition in 2005 and channeled it into this comprehensive step by step implementation program that not only teaches you the behind the scenes theory but the actual execution of how you can navigate your way through the process and land the job of your dreams too. Yes, you'll learn the strategies and motives behind the entire selection process but more importantly you'll have a meticulous step by step plan to follow that will have you standing out as a top candidate. The end result: the ability to succeed with any airline and enjoy the career of your dreams. The cabin crew interview made easy is the first book of its kind that is built with focused rapid implementation in mind: no filler information, no unnecessary modules or strategies, just straight to the point, clear and effective strategies to follow in a step by step format. Focuses on action since the cabin crew interview made easy is an implementation program, you will be getting your hands dirty with detailed worksheets and action steps. Not only do I make it dead simple but I really go step by step to guide you through the process with confidence. Inside you'll find a complete blueprint to follow that will take you from scratch through to hearing you're hired in the shortest time possible and with only 5 steps to completion: step 1 research, step 2 apply, step 3 prepare, step 4 attend, step 5 conclude. I've done everything in my power to make this the simplest cabin crew interview implementation program available and I know it works because it's the exact same process that's been behind both my own success and those of my students.

Suppose you can be prepared for your interview so prepared that you can't fail. So confident that you can attend an interview and just blow the panel away. Would that interest you?
