improvement whether you're a seasoned executive or an aspiring entrepreneur mastering msme management is your go to guide for transforming challenges into opportunities and steering your manufacturing msme toward long term success lead with purpose operate with precision grow with confidence

a groundbreaking exploration into the intricate art of business turnarounds and swift recovery qualified by a career s worth of insights in your turn the message is startlingly clear a turnaround is a one chance only experience this is do or die and if you understand that in time and act accordingly by following a robust comprehensive data driven approach to survival your company stands a good chance of weathering the storm your turn is a practical guide for executives to lead their own business turnarounds with meticulous detail and respected leadership insights the author has built a step by step approach that has served him well in delivering successful business turnarounds packed with real world business examples and instructive models your turn is an indispensable resource for ceos board members and senior leadership looking to drag their company out of a distressed situation and back into a thriving enterprise

is your information easy to steal every business has something it needs to protect whether it's top secret ip an exclusive client list or a secure payment portal your data is what sets you apart from the competition but most businesses aren't doing a very good job of protecting what's theirs the digital world is changing fast and cybercrime is changing with it whether it's a 12 year old script kiddie crippling your website with denial of service attacks or a master hacker targeting a project leader with phishing e mails the bad guys have dozens of clever and creative ways to take your assets sooner or later you will come under attack the future of your organisation depends on making your information hard to steal but most business owners don't know where to start this book is the answer

if you are a ceo or managing director of a business you know more than anybody how important it is to have every member of your team firing on all cylinders your people really are your business from your ceo's vantage point you clearly see the direct link between the performance of your team's and the financial and operational results your business achieves good bad or indifferent the results you deliver as a ceo are in the hands of the people who work for you the results they achieve are also a direct reflection on your ability as a leader one of your most important jobs as a ceo or managing director is to make sure at all times that you are getting the best from your

people but how where do you start to get your team s to operate at a higher level in the ceo guide to getting the best from your team you ll discover an easy to use program called enterprise leader which you or your fellow executives managers or an outside coach consultant can use to improve team performance you ll discover the step by step methodology and set of tools which ceos around the world are using right now to get their teams tuned in to their businesses performing at a higher level and achieving greater business results than they ever thought possible whether you are the managing director of a small 10 man marketing agency or the ceo of a 1 000 person manufacturing company the ideas in this book will help you transform the performance and results of your own people and teams

if you re a ceo or executive of a charity or non profit and you want to make your organization more business savvy and commercially minded then the charity ceo guide to creating a business focused team how to grow your charity by getting your employees to think like business people is a must read charities and non profits face many of the same operational issues as traditional businesses such as growing income and cash getting the best from teams of people achieving stretch goals and improving performance and results business based ceos know that to meet their goals they need to have people on board who are business and customer focused in tune with the company s purpose and ambitions and who display leadership characteristics the same is true in charities and non profits too in the charity ceo guide to creating a business focused team you ll discover the exact steps you can take to make your teams as business savvy and commercially minded as the most successful and profitable business based company download this ceo s guide now and discover how you can take your entire team on a unforgettable journey unlocking the potential of each team member and instilling in them new business thinking attitudes and behaviours this book in 25 words change performance results collaboration communication teamwork engagement alignment motivation goals focus creativity entrepreneurship self belief leadership morale cooperation ownership accountability commercial awareness sales vision customers competitiveness growth

navigate the investment community with confidence to build great companies the ceo s guide to the investment galaxy by sarah keohane williamson provides indispensable insights for business leaders navigating the landscape of the global investment community not all shareholders are created equal knowing who your shareholders and the other members of the investment

community are and what drives them is key to your success whether you're stepping into a ceo role at an established company or spearheading a promising start up this guide demystifies the diverse members of the investment community you will encounter from pension funds to private equity firms to proxy advisors and provides practical advice to help attract the shareholders who can support you in building a great company williamson draws on her extensive research of and experience with the investment community to deliver actionable strategies for engaging with shareholders and insulating your company from short term pressures the book offers a roadmap to effective communication and capital raising helping you succeed in today's complex business environment and fortify you against future challenges inside the book gain insights into the personalities motivations and strategies of various investor types learn effective communication tactics to manage investor expectations explore practical approaches to aligning your business with long term investment goals the ceo's guide to the investment galaxy is written for ceos board members business leaders and entrepreneurs looking to deepen their understanding of the investor landscape to fuel long term company performance it's also invaluable for journalists policymakers investors and students aiming to grasp the nuances of modern of corporate finance

branding is ultimately the ceo's responsibility too many ceos allow their companies to copy and resemble their competitors the goal is to be unique to stand out from the white noise of me too competition the brand dictates a company's costs of sales capital and media if people don't get your brand your value proposition within 15 seconds they'll resist purchasing from investing in and writing about your company or they'll ignore your company altogether hence the title of this guide be unique or be ignored

business success comes neither easily nor quickly what is needed is a practical guide to achieving peak performance recognising your starting point and telling you what is required to achieve your goals the complete ceo does exactly this by providing a comprehensive framework against which any business leader can assess their strengths and weaknesses the complete ceo combines invaluable insights from some of the most successful ceos in north america and northern europe along with the authors extensive knowledge and experience to create a complete programme for you and your business to achieve peak corporate and individual performance the complete ceo distils learning built up over the last ten years from 1000 leaders of the world's largest quoted companies by comparing the ways these leaders ran their businesses with their

long term performance you will be able to see what works in practice and how to make it work for you the complete ceo is not a conventional business book and recognises there are no shortcuts to greatness even great ceos have important areas of relative weakness the tailored model of high performance presented in this book will be of enormous value to anyone who aspires to be a high performing ceo the complete ceo is an excellent handbook for any manager or leader i keep it within reach mervyn davies ceo standard chartered bank plc this book is helpful to any ceo or indeed any business manager who wants to deliver sustained high performance jim nicol ceo tomkins plc as ceo of a newly floated business i have found the complete ceo to give extremely helpful focus as well as practical tools heikki sirviö ceo kemira growhow the complete ceo is a fascinating book while it won t turn the average ceo into warren buffett it does contain a wealth of uncommon common sense wisdom which will take him or her a number of steps in his direction james o loughlin author the real warren buffett the ultimate test of a ceo is value creation yet few are prepared for the task this book will be of practical help to anyone who seriously takes up this challenge sir brian pitman former ceo and chairman of lloyds tsb i believe that the high performance model described in this book will be of value to any business leader but especially to one new in post or one who has good reason to introduce change sten scheibye ceo coloplast the high performance model at the core of the book moves from a clear and insightful discussion of what drives the creation and maintenance of a winning business model into a decomposition of the role of the ceo the authors have worked with a number of highly successful ceos and former ceos to understand the essence of their success and the actions they have taken day to day to drive it and the result is a practical easy to understand guide from the foreword by ben verwaayen ceo bt plc
