studying philosophy means unraveling reality in all its aspects by contextualizing today s reality in its social political ecological spiritual and also aesthetic context the chapters in this edited volume present research findings complementing or even challenging ongoing scholarly discussions in philosophy and humanity the chapters are divided into five sections based on the issues being discussed 1 law and politics 2 economy 3 humanity and wellbeing 4 rethinking spirituality and 5 arts besides the obvious urgency to problematize these issues due to the dynamics of paradigm and theories in the field of philosophy there will always be a need to constantly create new conversations the wide variety of aspects of humanity that are being analyzed in the chapters are done by non westerns scholars in this case indonesian scholars and this provides alternative ways of interpreting philosophical concepts in relation to everyday realities the issues being discussed might seem universal as depicted in the choices of texts which come from different countries however the specificity of each context contributes to a more complex discussion of various philosophical aspects the readings and interpretations of the philosophical theories build a non western scholarship which is definitely needed to enrich the process of knowledge production in the humanities and social sciences the multiplicity of the texts chosen as case studies in each chapter is the primary specialty of this edited volume since there are not a lot of projects that cover multiple issues coming from different locales in one book with an interdisciplinary approach

explore some of the most fundamental questions of philosophy in this short but powerful book originally published in 1905 edward gore alexander holmes what is philosophy is the author s essay on the nature of philosophical discourse holmes was an educator a poet and a philosopher and was well regarded in his time for the contributions he made to the educational sphere where his views were considered progressive in this book s 83 pages holmes attempts to answer some of the biggest but also most fundamental questions about philosophy for example the essay opens with a discussion of the nature of truth and the suitability for the philosopher to seek out truth frequent comparisons are made between the scientist the artist and the philosopher and the strengths and limitations of each in the pursuit of greater understanding it is a refreshing viewpoint assumed by holmes one that lends an air of weight to the work of artists and academics there are many questions posed in what is

philosophy and any student of philosophy will see value in its study this essay would in fact make for an excellent philosophy 101 as it serves as an excellent introductory point to modern philosophical thought while still remaining interesting for those with a broader background in the topic even those not keenly interested in the study of philosophy may enjoy this read primarily as an extended thought exercise for while holmes poses many questions there are fewer answers there are no indisputable premises in philosophy holmes says what is indisputable for one man is doubtful for another meaningless for a third incredible for a fourth the personal element is sure to assert itself and cannot be eliminated whether you are a seasoned student of philosophy or somebody looking for their introduction into philosophical readings what is philosophy is a worthwhile read about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
