the second book in the popular convolutioned series contains more mind bending metaphysical concepts is it possible that you are living in other universe simultaneously with this one do you travel back and forth between other dimensions without your conscious knowledge could it be possible that you are only a splinter or fragment of a much larger soul

the convolutioned universe contains some of the more complicated concepts in metaphysics that dolores cannon discovered through twenty years of using deep hypnosis to explore the subconscious mind some of the topics explored in this book the origin knowledge and destruction of atlantis the explanations of earth mysteries including the pyramids easter island the bermuda triangle the ark of the covenant loch ness monster nazca lines characteristics of other planets parallel universes parallel lifetimes and realities other dimensions and much more this book is intended for those readers who want their minds expanded by the more complicated metaphysical ideas that border on quantum physics

please note this is a companion version not the original book sample book insights 1 i have traveled through time and space to explore the history of the past and the possibilities of the future i have visited unknown planets and dimensions and spoken with many so called alien species i have discovered that everything is hidden in the recesses of the subconscious mind and that it can be discovered and applied in our time 2 i first became involved with reincarnation and past life regression in 1968 my husband johnny was career u s navy for over twenty years and had just returned from duty in viet nam we were stationed in texas and trying to return our lives to normal after a four year separation caused by the war 3 1968 was a significant year in my life because it changed everything forever my husband johnny was almost killed in a horrendous automobile accident on his way to the naval base one night he was hit head on by a drunken

driver and mangled into the wreckage of our volkswagen bus the doctors said it was a miracle he lived because his injuries were so extensive that he should have died 4 i was glad to have the sanctuary of the hills as my retreat as i was completely focused on my husband and the children i had no idea where i would find clients in the hills of arkansas but i knew i wanted to do something with my life

join us on a voyage through time and space into the world of the strange and unusual and unfathomable as hypnotherapist dolores cannon s convoluted universe series continues suspend belief as you explore worlds and dimensions where your dreams become reality and your reality is only a dream open your mind to a myriad of possibilities that have previously only dwelt in the imagination more mind bending concepts for those with open minds and eager curiosities other lives as animals plants and in strange otherworldly bodies everything is alive everything has consciousness help from beings of faraway worlds the three waves of volunteers who are coming to help the world go through its transition what is god the true nature of god or the source where all come from and all must go back to lifetimes as creators of universes the earth and everything on it different laws of creation and physics where universes obey other rules the new earth and the effects on our bodies as we move into it who will be left behind when the earth moves into the next dimension a totally new alternative to a walk in the final solution energy that can destroy the world if it becomes necessary join dolores cannon and let us go exploring

frontiers of knowledge is the story of unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe we are birthing a new era in which our ideas about the nature and source of reality are swiftly changing insights from quantum physics suggest that the basis of our physical world is actually mental conscious thoughts other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness all strongly hint that spirituality is the underlying source of everything frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual realm new concepts of reality are especially needed to explain the incredibly fine tuned characteristics and the mysterious nature of our physical universe ninety five percent of the universe's energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy the last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth historians call it the copernican revolution because it led to modern western science from one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe an underlying aspect of this new revolution is the sense that humanity is moving into a new era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities until now this emerging knowledge has not been organized into a coherent and comprehensive structure frontiers of knowledge provides the first outline of this new structure of reality

many of us lived previous lives as keepers of sacred knowledge that was taught in the ancient mystery schools much of this knowledge was lost through time due to disasters and destruction or death the knowledge was reserved for a select few who devoted their lives to understanding and teaching it
