we are longing to find something that will truly satisfy our hearts this longing leads us into many situations and circumstances in the end anything we give our hearts to within this world will find its end there is an eternal light that reveals our need and helps us understand those longings within us within this light we find what will never fade away always satisfying the human soul what we desire most is love but there is only one lasting love for humanity when the sun is setting and the dark creeps in whats revealed is only a shadow of who we really are we are not fully known by others within this fleeting light and many people find themselves living in the sunsets we hope the oncoming night and passing light will reveal a bit of our beauty but hide what is perceived unacceptable or in many cases too real our spots our imperfections have driven our entirety into hiding its a humanity problem we hide weve always hidden weve found solace in the darkness but our worth is not lost and our value has not faded away we are fully known even in the darkest of nights the life we live now is vulnerable to darkness but there is no need to hide for acceptance we all have our spots we all have hurt but what remains hidden from humanity will not find shelter from the light when someone is close enough to see the struggle within and provides a way out its our opportunity to take hold of what we need and begin to trust
