In her first book the world's greatest female golfer takes readers inside her golf game and shows every golfer how to play and win like a pro. A regular contributor to *Golf Magazine*, Annika Sorenstam now shares her breakthrough strategies in one complete, easy-to-follow instruction book. *Golf Annika's Way* features the story of Annika's career from the driving ranges of her native Sweden to her record-breaking achievements in the LPGA to her unforgettable performance playing against male competitors at the Colonial. The power behind her potent swing from the fundamentals of grip and posture to her unconventional form on the follow-through. Hundreds of full-color photos including high-speed shots that capture her swing frame by frame in a double gatefold. All you need to know about how to use every club in the bag from short irons to fairway woods to putters. An insider's guide to the unique training regimen she has developed for building a strong physique and a longer drive.

*Into the Shadows* feeds into that yen for the dark, damaged hero like catnip for felines. Dear author, Rule 1: Don't fall for your crime boss/father's favorite killer. Nadia fell for the most feared hitter on her late father's payroll. Thorne's a lost cause as dangerous and damaged as they come, but she's not sorry. Without Thorne, she wouldn't have their beautiful boy. Now Thorne's burst back into her life after being gone for two years, arrogant and demanding, making himself right at home. She can't let him figure out Benny is his, so she enlists a friend to play their son's daddy. Thorne knows exactly how Nadia sees him: as a brute and a killer willing to play her sexy games. And that's how it has to stay, leaving her way back when was the hardest thing he ever did, but it was the only way to protect her. Now his undercover mission has thrown them back together, and it drives him crazy to see her with another man and another man's baby. It's going to be hard for another book this year to impress me more than this one. *Into the Shadows* is suspenseful, gritty, violent, sexy, everything I want in a romantic suspense. Smexy books, wow, I loved this book. This is one of my best books of the year, and has reminded me why Carolyn Crane is one of my favourite authors. With *Into the Shadows*, she has crafted a book that was emotionally intense, full of action, and hot as hell. Under the covers, this is one of those reviews in which I just want to tell you: buy it, read it, and thank me later. But I know that doesn't work with you greedy people, so let me tell you why you should follow my advice: because this book will rock your socks off. The bookaholic cat. This standalone suspense book is 3 in the Undercover Associates series, but it can be read on its own. Nominated for the 2014 Rita Award.
