the poetic nightingale is so familiar it seems hardly to merit serious attention yet its ubiquity is significant suggesting associations with erotic love pathos and art that cross culture and history this book examines the different nightingales of european literature starting with the greek myth of philomela the raped girl silenced by having her tongue cut out and then transformed into the bird whose name means poet poetry and nightingale simultaneously moving from the classical to the christian worlds jeni williams discusses nightingales and nature in the early church and sees the emergence of the figure as an emotive emblem of the aristocracy in mediaeval vernacular debate poetry her final chapters use the nightingale and the myth to examine elizabeth barrett browning s struggle for an active female voice in victorian poetry

a celebrated figure in myth song and story the nightingale has captivated the imagination for millennia its complex song evoking a prism of human emotions from melancholy to joy from the fear of death to the immortality of art but have you ever listened closely to a nightingale s song it s a strange and unsettling sort of composition an eclectic assortment of chirps whirs trills clicks whistles twitters and gurgles at times it is mellifluous at others downright guttural it is a rhythmic assault always eluding capture what happens if you decide to join in as philosopher and musician david rothenberg shows in this searching and personal new book the nightingale s song is so peculiar in part because it reflects our own cacophony back at us as vocal learners nightingales acquire their music through the world around them singing amidst the sounds of humanity in all its contradictions of noise and beauty hard machinery and soft melody rather than try to capture a sound not made for us to understand rothenberg seeks these musical creatures out clarinet in tow and makes a new sound with them he takes us to the urban landscape of berlin longtime home to nightingale colonies where the birds sing ever louder in order to be heard and invites us to listen in on their remarkable collaboration as birds and instruments riff off of each other s sounds through dialogue travel records sonograms tours of berlin s city parks and musings on the place animal music occupies in our collective imagination rothenberg takes us on a quest for a new sonic alchemy a music impossible for any one species to make alone in the tradition

of the hidden life of trees and the invention of nature rothenberg has written a provocative and accessible book to attune us ever closer to the natural environment around us

the subject of romanticism memory and mourning could not be timelier with Žižek s recent proclamation that we are living in the end times and in an era which is preoccupied with the process and consequences of ageing we mourn both for our pasts and futures as we now recognise that history is a continuation and record of loss mark sandy explores the treatment of grief loss and death across a variety of romantic poetic forms including the ballad sonnet epic elegy fragment romance and ode in the works of poets as diverse as smith hemans blake wordsworth coleridge byron shelley keats and clare romantic

meditations on grief however varied in form and content are self consciously aware of the complexity and strength of feelings surrounding the consolation or disconsolation that their structures of poetic memory afford those who survive the imaginary and actual dead romantic mourning sandy shows finds expression in disparate poetic forms and how it manifests itself both as the spirit of its age rooted in precise historical conditions and as a proleptic power of lasting transhistorical significance romantic meditations on grief and loss speak to our contemporary anxieties about the inevitable but unthinkable event of death itself

this is the first collection of essays to focus on the extraordinary literary achievement of james clarence mangan 1803 1849 increasingly recognized as one of the most important irish writers of the nineteenth century it features contributions by acclaimed contemporary writers including paul muldoon and ciaran carson

critics including seamus heaney provide a welcome reappraisal in the wake of clare s bicentenary
