christianity it's not what you think are you a christian do you consider yourself to be a christian what makes you a christian how do you know you are a christian what made you decide to become one what does it mean in your daily life could it be that maybe some of the people who call themselves christian really aren't what is a christian most people in this country say they are christian but what does that mean what makes you a christian is it having a membership in a church does attendance at a sunday morning worship service make you a christian would sitting in a garage for an hour every week make you a car these questions arise because when we talk about christianity we all mean something different we assume we mean the same thing but we each have a very different picture of what a christian is this ends up causing people to spend a lot of time and energy arguing with each other and trying to get others to believe and behave as you do and that is hardly what being a christian should be many people both christian and non christian make a variety of assumptions about christians what is a 3d christian so let's take a look at what it means to be a 3d christian the 3 d's 1 discovery defining what a christian is 2 decision committing to be a christian 3 discipline traveling the path of a christian how to use this book we will explore the 3 dimensions of christianity discovery decision and discipline we will talk about what these mean the theory behind them then you will have the opportunity to explore some practical ways you can incorporate these dimension into your daily life so we begin our journey together a journey of change and growth from one dimensional to three dimensional as we follow our vision to be 3d christians
