for centuries now the vast majority of the christian population in the west has been locked into the mindset that believing in a creator god is a matter of faith and emotions as opposed to clear and rational thought and that faith should be kept in the private realm under investigation aims at dispelling this oppressive way of thinking this is a workbook that will arm christians with scientific truths written in plain language its goal is to target the integrity of the new testament using scholarly historical and literary scientific findings knowledge is power and in the quest for absolute truth this workbook will guide the student to an educated understanding of both who the god depicted in the bible truly is and who he is not

presents selections of literary criticism devoted to the bible

god made human beings in his image and that is what makes us so valuable yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value people have treated one another in either horrible or wonderful ways based on their theologies of the image this book examines the logical implications of various image doctrines in the real world also in genesis 1 26 27 the image of god is closely tied to the first stated purposes of human life in genesis 1 28 yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches to live out our part in god s creation project we need to understand the image of god within the unfolding story scripture narrates from creation to new creation this book builds a theology of the image of god by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of god his children and his creation in this age and the age to come

this book candidly unfolds revelation 13 17 and 18 which describe who the apocalyptic antichrist is in the very heart of johns end time prophetic narrative comes stunning imagery of the final three phases of this powerful being and his church they are the fulfillment of daniels prophecies of the little horn vile person and king of the north with unreserved clarity john is told that this religious power would be centered in the city of the seven hills with stunning geopolitical ties to the leaders of the world the clues of when it begins are amazing it is inaugurated at a time when a woman and a beast a church and a state have merged there is no other conclusion that can be drawn than that this is when the roman catholic church was awarded the vatican city state in 1929 the papal leaders from that point on with its final forty two months of history are given in vivid detail in arresting detail god discloses the horrifying suppressive power this church will soon wield and the worlds gullible worship of its falsehoods this amazing document mines the very depths of truths god has revealed as never before for us today

often the pastoral letters have not received the attention they deserve in addition to being indispensable for understanding the pastoral office these letters are rich in teaching regarding many of the cardinal doctrines of the christian faith christology soteriology eschatology ethics and the church s worship life in grace and life paul deterding explores these topics through careful exegesis of these texts and a number of essays on the major subjects of these letters his work will be of interest to pastors looking for help for

preaching and teaching it will also aid lay readers in understanding the responsibilities of the pastoral office and the divine authority that enables them to carry out their ministry
