the faery teachings offer the reader a unique and rare compilation of academic

research oral tradition and contemporary practices associated with faery seership as it is currently practiced and taught by a traditionally trained faery seer its roots draw from the age old practices of the conjurers seers cunningmen and hedge witching women of america and norther and western europe it deals with potent magic the second sight and building an intimate relationship with the spirit world and the soul of nature

have you ever felt that you were different that the otherworld was closer for you than it is for other folk have you ever wondered how you can tap into the wild untamed magic of your own faery heart then this book is for you once upon a time fey meant both the spirits of the natural world and the nature of those humans that were in touch with that magic in themselves the seers the spirit workers the ones who walked between this is your guide to finding that fey magic which sings in your heart through this book you will meet your guide visit faeryland learn about the beings of the faery worlds and develop your own faery craft to work in harmony with the power and cycles of the earth by unlocking the nature of your fey spirit time for you to become the fey you truly are

the spirituality of a fey person may be quite anarchic and entirely private having no basis in any organised religion so it can be a secret spirituality that informs the fey type and this may be largely experiential it has often been perceived as a threat by people who like ideas to be tied down and under control and by the organisations that such people have created meanwhile in much of today s world fey people have been throughly marginalized in this book rae beth suggests ways in which we might understand otherworldly realities without abandoning commonsense drawing upon her knowledge of traditional faerie lore she shows how fey perceptions and psychic skills can serve and enhance life rae beth draws on her knowledge of traditional

faerie lore and shows how fey perceptions and psychic skills can serve and enhance life she suggests ways in which we might understand otherworldly realities without abandoning commonsense will be of interest to witches and those interested in the other world

this book examines the fairies demons and nature spirits haunting the margins of christendom from late antique egypt to early modern scotland to contemporary amazonia contributions from anthropologists folklorists historians and religionists explore christian strategies of encompassment and marginalization and the small gods undisciplined tendency to evade such efforts at exorcism lurking in forest or fairy mound chuckling in dark corners of the home or of the demoniac s body the small gods both define and disturb the borders of a religion that is endlessly syncretistic and in endless active denial of its own syncretism the book will be of interest to students of folklore indigenous christianity the history of science and comparative religion
