providing a practical handbook for practitioners in the helping professions the first helping interview is a highly useful easy to understand guide for both experienced and novice practitioners that reveals the steps involved in the crucial first meeting with a client the authors approach the task of an initial interview by providing an overview of what the therapeutic process is and what to

expect from clients both those who seek help voluntarily and those who are required to get help the book also covers the practical basics of therapy counselor client roles physical settings communication dynamics assessment and diagnosis record keeping goals and contracts and trust building separate chapters discuss special topics such as working with couples and families the role of culture and ethnicity when and how to refer clients with serious problems and legal and ethical issues although this book is general enough to be used by any practitioner the authors pay particular attention to specific settings such as child protective services crisis intervention and corrections social workers marriage and family therapists school counselors psychiatric nurses child welfare workers and probation officers will appreciate this valuable indispensable reference tool

providing a guide for beginning counselors this work gives the techniques to use in clinical situations it shows characteristics of good helping relationships details verbal and nonverbal skills includes evaluation and ethics explains helping theories and research and explores client concerns

in this breakthrough book cynthia bisman and david hardcastle present research methods as tools that social workers can use to improve clients rather than describing how research is done they focus on how social work practitioners can use the rigors and methodologies of research in practice the authors provide students with the skills they will need to evaluate the relevance and effectiveness of their practice including the ability to articulate what they are doing monitor their effectiveness and decide whether to continue the applications with other clients

students with reading problems understanding the reading process correlates of reading disability diagnosis and word identification teaching word identification diagnosing comprehension teaching comprehension motivating students to read individualized educational plans and case studies evaluation of reading tests and programs getting it all together

gain the skills and strategies you need to be an effective and empathic helper with effective helping interviewing and counseling techniques seventh edition today s helpers must have a wider more diverse range of knowledge and skills than ever before to succeed you must understand culturally diverse human behavior and development the process of change the power of contemporary forces and you must know the best theories and methods of helping and communicating effective helping interviewing and counseling techniques seventh edition is the clear applied and respected book that will help you master the

practical skills of interviewing and relationship building this is a book that helps prepare you for the reality of what it's like to be a helper and it's a resource you'll want to hold onto throughout your studies and well into your career

the impact of the 1988 education reform act on the management of schools and the delivery of the curriculum is a major preoccupation for all those in education any discussion of the role of the teacher and the entitlement of the pupil is dominated by the requirements of the national curriculum it is easy to forget that teachers are also concerned with the emotional support of troubled children and with the promotion of the personal social and moral development of all children initiated by and published in association with the national association for pastoral care in education napce this book brings together teachers and teacher educators at the forefront of developments in pastoral care and pse its wide ranging and up to date examination of the pupil's entitlement to pastoral support and to a curriculum which pays due regard to the development of the whole person represents the first comprehensive treatment of these topics to be published for over a decade
