an incisive historical and theological insight into the great 19th century baptist with emphasis on the doctrines that moulded his life and thought

how would you get more than 5 000 people to show up at your church almost every pastor feels the pressure to get people in the doors more people means more success more stability and more godly influence right often in their zeal for fruit and growth pastors and church leaders adopt worldly mechanisms for church growth that end up undermining the very call god has given them charles spurgeon the prince of preachers was a pastor to well over 5 000 people in a day long before mega churches were the norm but you might be surprised to know that spurgeon s vision for ministry was not pragmatic he did not borrow best practices from the business leaders of his day rather his ministry vision was decidedly staunchly biblical and theological in nature and it was a ministry vision we ought to adopt more than a century later in spurgeon the pastor geoff chang director of the spurgeon library at midwestern seminary shows how spurgeon models a theological vision of ministry in preaching baptism and the lord s supper meaningful church membership biblical church leadership leadership development and more don t get caught up in worldly methods to pursue ministry growth follow the example of the prince of preachers and entrust your ministry to the sovereignty of the prince of peace

this volume makes a significant contribution to the history of ecclesiastical histories with a fresh analysis of historians of evangelicalism from the eighteenth century to the present it explores the ways in which their scholarly methods and theological agendas shaped their writings each chapter presents a case study in evangelical historiography some of the historians and biographers examined here were ministers and missionaries while others were university scholars they are drawn from anglican baptist congregationalist methodist presbyterian fundamentalist and pentecostal denominations their histories cover not only transatlantic evangelicalism but also the spread of the movement across china africa and indeed the whole globe some wrote for a popular christian readership emphasising edification and evangelical hagiography others have produced weighty monographs for the academy these case studies shed light on the way the discipline has developed and also the heated controversies over whether one approach to evangelical history is more legitimate than the rest as a result this book will be of considerable interest to historians of religion

the question of how theology shapes a christian historian s reading of the past has been debated thoroughly in various academic periodicals should historians recognise the role of providence in their accounts of past events should they sympathise with their subject s theology can objectivity be lost due to theological bias and last but not least is there a compromise of faith if one writes natural instead of supernatural history such questions are important for understanding the historian s profession arnold dallimore who trained and specialised in pastoral ministry in canada wrote an influential biography of the revivalist george whitefield as well as others on charles and susanna wesley edward irving and charles spurgeon how did his reformed theological perspective impact his historiography how does his work fit into larger historiographical debates concerning the nature of christian history while other books look at christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian it

does so by placing dallimore in the context of being a minister in twentieth century canada as well as his role in the development of reformed theology in the anglosphere it also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of christianity and slavery and the question of charismatic religious experience his study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

all malawians know their national hero the rev john chilembwe who in 1915 protested against colonialism with an armed uprising to understand him it is necessary to understand joseph booth who baptized him and took him to america in 1897 to study for the baptist ministry there in america booth published his africa for the african to the intense dislike of the colonial administration booth was an evangelical missionary but a maverick among them this book explores what made him the odd man out among his fellow missionaries by tracing his and his family s life in auckland and melbourne arguing that his political involvement must be understood from his specific baptist background

professor david bebbington is a highly regarded historian he holds a chair at the university of stirling has been president of the ecclesiastical history society and has delivered numerous endowed lecture series as well as being deeply involved in the dr williams s dissenting academies project he is both a popular and influential academic historian whose writings have significantly shaped our thinking about the history of evangelicalism baptist life and political developments in pathways and patterns colleagues former research students and friends who are indebted to professor bebbington and value his contribution to scholarship join together to pay tribute to his outstanding work not only has he stimulated academic endeavour he has also given much personal support not least to those in the baptist historical society and in colleges among them spurgeon s college and baylor university usa where he is a distinguished visiting professor this volume reflects his wide involvements and the grateful esteem in which he is held among professor bebbington s achievements has been both instituting and masterminding the very important international conference on baptist studies icobs held every three years in different parts of the world it is appropriate then that this volume was presented to him at the seventh icobs conference held in manchester july 2015

when the prince of preachers steps into the open air the result will change his ministry forever using charles spurgeon s own words as well as contemporary accounts e g romine digs deep into the legendary pastor s unexamined legacy of open air preaching in the booming baritone bell of england romine argues that spurgeon s open air preaching was a profound influence not only on his audience but on spurgeon himself a thorough and thoughtful exploration of a neglected area of spurgeon s ministry romine s exhaustively researched book will appeal to casual readers and scholars alike

is the bible a trustworthy document or is it filled with errors and contradictions as claimed by the skeptics in our greatest treasure we examine the evidence less than two centuries ago many scholars argued convincingly

that the hittites never existed even though they are mentioned in the bible more than fifty times the unearthing of their massive library in turkey has revealed an advanced civilization that once rivalled both egypt and assyria not many years ago ahab s house of ivory was considered impossible but not now his wife jezebel was dismissed as a fictional character inserted into the text to arouse interest but the recent discovery of her signet ring with her name clearly discernible has silenced the critics at one time historians were convinced that gallio in acts 18 never existed but the spade of the archaeologists has uncovered his name his position as proconsul of achaia and even the time of his service in corinth men and women from both distant times and the present have had their lives transformed by the message of the bible many of the people places and events found in the bible are found in no other literature and their details have been documented as being authentic by historical and archaeological research the bible is not buried treasure it is open to all who will access its sacred pages the bible is indeed our greatest treasure

i do not propose to write another life of mr spurgeon i propose writing of the great preacher as i knew him and as i saw him under a great variety of circumstances and conditions giving i trust no offence in anything that this ministry be not blamed i hope in the ensuing chapters each reader may participate to some extent in the joy i experienced when in company with one of the master minds and most gracious characters of this or indeed of any age introductory
