a fortnightly bulletin on financial and political trends

the 2016 regional trends report on energy for sustainable development in asia and the pacific supports the implementation of the sdg7 and outcomes of the asian and pacific energy forum 2013

vol 1 includes the transactions of the irish forestry society

vol 25 no 1 contains the society s lincoln chapter s resource conservation glossary

in this book experts engage in an extended dialogue arguing for a comprehensive view of sustainability they emphasize the constraints imposed by the relationships among the components for example how the need for clean easily accessible water intersects with the need for the energy required to provide it this book urges a transformation in the way we view sustainability a transformation that is necessary if we are to plan responsibly for a more sustainable world book jacket
