the subject of this dissertation which belongs to the field of classical philology are the definitions of the art of grammar found in greek and latin sources from the classical

era to the second century ce definitions survive from grammarians philosophers and general scholars i have examined these definitions from two main points of view how they are formed and how they reflect the development of the art itself preliminaries

despite a history of hundreds of years of research analysing aspects of english grammar there are still open problems which continue to baffle language researchers today such grammar mysteries arise for a number of reasons because the language is changing because different speakers of the language adhere to distinct norms and thus introduce and maintain variation in the system because there are differences between the grammar of spoken and written english this book illuminates some of the complexities of the subject the areas where new discoveries await and why it matters through a series of accessible and engaging case studies on various aspects of grammar from multiple negation to possession the authors present grammar as an intellectual challenge this book brings out into the open questions about language usage to which we still do not have good answers in a bid to make variation overt and to revel in the mystery of the english language both aimed at the interested general reader and the beginning student of english language and linguistics this is a fresh take on grammar

a concise guide to grammar usage and style includes appendices on irregular verbs verb preposition combinations commonly confused words and misspelled words

this third edition with answers and cd rom is ideal for self study the book contains 100 units of grammar reference and practice materials with illustrations in full colour and a user friendly layout it is ideal for learners preparing for the cambridge advanced proficiency or ielts examinations and is informed by the cambridge international corpus which ensures the language is authentic and up to date
