the authors has beautiful explained how bech flower therapy can be used with comoeopathy

self healing materials are man made materials which have the built in capability to repair damage failure in materials is often caused by the occurrence of small microcracks throughout the material in self healing materials phenomena are triggered to counteract these microcracks these processes are ideally triggered by the occurrence of damage itself thus far the self healing capacity of cement based materials has been considered as something extra this could be called passive self healing since it was not a designed feature of the material but an inherent property of it centuries old buildings have been said to have survived these centuries because of the inherent self healing capacity of the binders used for cementing building blocks together in this state of the art report a closer look is taken at self healing phenomena in cement based materials it is shown what options are available to design for this effect rather than have it occur as a coincidental extra

who are we why are we here is there a god the world we currently live in is characterised by its conflicting cultures with their diverse political social and religious views add to this the growing climatic problems and the increasing gap between those who have and those who have not and this world seems a very unstable place the majority of us not only feel powerless to prevent this but also find it hard to accept some of the reasons we are given to explain this pain and suffering religions spiritualism politics and science have all provided competing explanations but have not provided any real proof furthermore the world as we currently know it is a result of those competing explanations we are all citizens of this world and as such have a vested interest in its future we all have questions about why we are here and we are all entitled to the answers there is something in this book for everybody from those who are not satisfied with the way the world is and think there has to be a better way to those who just wish to know why we are really here

what's stopping you from lifting your life above your fears and limitations with streaming reports of humanitarian disasters and global pandemics on news channels the ongoing climate emergency and a continuous bombardment of similar from social media it's not surprising that living in the modern world can take its toll on our physical mental and spiritual wellbeing in how to heal renowned spiritual leader anne jones shows that amid all this confusion negativity and noise you can use the power of ancient symbols and rituals to reclaim control of your emotions breakthrough your barriers and lift your life to a happier calmer and more fulfilling place unlock a new strength and resilience as anne coaches you through a uniquely holistic approach to healing as you begin to clear negative beliefs thoughts and feelings about yourself every single part of you from your physical body to your mental health and spirit will respond come to life and start to heal what you think feel and see becomes your truth so now is the time to stop letting the world break you down and move beyond the past traumas that have come to define you by surrounding yourself with peace and positivity and taking control of the negativity that blocks your path you can begin a transformative healing process that will release your past reclaim your energy and revive your joy
