In this insightful practical book, George Barna has pulled together some of today's top Christian leaders to talk about the subject of Christian leadership. Articles include: The tasks of a leader by Ken Gangel, The character of a leader by Jack Hayford, Prayer in leading people by Peter Wagner, and much more. How did religion contribute to Russia's invasion of Ukraine? Heated disputes and alienation among Orthodox Christians in Ukraine and Russia contributed to Russian aggression in Crimea and Donbas in 2014 and the full-scale invasion of Ukraine in 2022. This book examines attempts from the early twentieth century to the present day to liberate the Ukrainian Orthodox Church from Russian control. It explores the causes of bitter alienation, Russia's use of soft power to maintain control, the development of hate speech used to discriminate against independent-minded Ukrainians, and the transition from soft to hard power from 2014 to the present.

Laypeople are not lazy; they just need purpose, motivation, and direction. Says Melvin Steinbron, he tells church leaders how to make their ministry more effective by getting more of the congregation involved in the work of the church.
