using a specific variety of modern textlinguistics known to some as discourse analysis

capshaw greek and bible clearwater christian college florida investigates how old testament passages function at a larger discourse level where they are quoted in the new testament which requires determining the discourse type of the biblical book hosting the old testament texts as well in addition to providing insight into specific passages in matthew he also demonstrates how the approach could be used in other new testament narratives annotation 2004 book news inc portland or booknews com

too often the septuagint is misunderstood or worse ignored in new testament studies in this book r timothy mclay makes a sustained argument for the influence of the greek jewish scriptures on the new testament and offers basic principles for bridging the research gap between these two critical texts mclay explains the use of the septuagint in the new testament by looking in depth at actual new testament citations of the jewish scriptures this work reveals the true extent of the septuagint s impact on the text and theology of the new testament indeed given the textual diversity that existed during the first century the jewish scriptures as they were known read and interpreted in the greek language provided the basis for much if not most of the interpretive context of the new testament writers complete with english translations a glossary of terms an extensive bibliography and helpful indexes this book will give readers a new appreciation of the septuagint as an important tool for interpreting the new testament

over under and through john s story of jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author s own audience and beyond these ideas did not originate in a vacuum they have recurred and been repeated before and after the writing of the fourth gospel for this reason we will examine the meaning of its words and themes in the context of its jewish greco roman milieu much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the old testament the dead sea scrolls philo and other relevant writings such parallels will help to determine the meaning of a word or expression the translation of a particular language determining any direct influences upon the fourth

gospel parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity
