memphis tn is buzzing over a sex scandal that could upset one of the city s oldest black political families and it is all centered around one woman ivy winters ivy winters is a college queen on the rise to becoming the next big thing to hit the memphis marketing industry all she has to do is finish her last year of college with top honors and plan the biggest wedding event of the year before she s off to being mrs grey henderson her five year plan is working out smoothly until her fiancé dumps her in utter despair she falls into the arms of another man and ends up pregnant by either the love of her life or the man of her dreams grey henderson knows what he wants and gets it labeled the most eligible bachelor in memphis secured by riches and power and son to the most hated and loved mayor the city has ever seen his only goal is to become the next congressman of district 17 but like many men grey is a slave to sex marriage to ivy would win the seat but his desire to continue as a single man creates waves when he breaks off their engagement only to discover he wants her back italian lover It nicola agosto is one of memphis top cops living life on the edge and sleeping around is a past time he enjoys when he s not serving as the mayor s henchman operation paycheck is a opportunity that will put his specialized unit in the forefront of a huge movement however all his plans come to a halt when he possibly gets ivy pregnant now not only does he have to face the henderson family but he also has to face his love for ivy

dogma 95 the avant garde filmmaking movement founded by the danish director lars von trier and three of his fellow directors was launched in 1995 at an elite cinema conference in paris when von trier was called upon to speak about the future of film but instead showered the audience with pamphlets announcing the new movement and its manifesto a refreshingly original critical commentary on the director and his practice playing the waves is a paramount addition to one of new media s most provocative genres games and gaming playing the waves cleverly puns on the title of one of von trier s most famous features and argues that dogma 95 like much of the director s low budget realist productions is a game that takes cinema beyond the traditional confines of film aesthetics and dramatic rules simons articulates the ways in which von trier redefines the practice of filmmaking as a rule bound activity and stipulates the forms and structures of games von trier brings to bear on his films as well as the sobering lessons he draws from economic and evolutionary game theory much like the director s films this fascinating volume takes the traditional point of view of film theory and film aesthetics to the next level and demonstrates we have much to learn from the perspective of game studies and game theory
