this volume addresses several core questions regarding the nature of law in china and its future development in particular these articles shed light on whether the rule of law ideal is commensurable with government based on the chinese communist party beginning virtually from scratch china has established a comprehensive legal system that boasts a constitution primary and secondary legislation and plentiful regulations covering most areas of public and private life yet as these articles discuss its courts are enmeshed in party and state hierarchies and are not empowered to directly apply constitutional principles or rights ensuring that the law is subordinate to national public policy goals legal and extra legal methods for punishing wrongdoing and resolving disputes also raise questions of due process of law ultimately the question is therefore whether china s legal system if eschewing formalised human rights is developing a capacity to protect fundamental human dignity

in china and the chinese herbert allen giles presents a comprehensive exploration of chinese culture language and societal norms in the late 19th century written during a time of increasing western interest in eastern philosophies and practices this work combines an analytical approach with rich descriptive narratives giles employs an accessible prose style blending scholarly insight with personal observations inviting readers to appreciate the complexities of chinese civilization his profound understanding of the chinese language and his efforts to introduce its intricacies to western audiences shapes the text offering a unique lens through which to view china s traditions and historical underpinnings herbert allen giles was not only a pioneering sinologist but also a translator educator and diplomat who spent many years in china his deep immersion in chinese society and language during a period of significant political upheaval equipped him with the experiences and insights so vividly articulated in this work giles career was marked by a dedication to fostering cross cultural understanding which drove him to articulate the essence of chinese life to western audiences aiming to bridge the gap between two vastly different worlds for readers interested in the cultural dynamics of east and west china and the chinese serves as an essential companion whether you are a scholar of chinese studies a lover of travel literature or simply curious about china s rich heritage giles work offers a nuanced perspective that continues to resonate in today s global landscape immerse yourself in this insightful exploration that remains relevant and enlightening

this book focuses on the rapidly changing sociology of music as manifested in chinese society and chinese education it examines how social changes and cultural politics affect how music is currently being used in connection with the chinese dream while there is a growing trend toward incorporating the chinese dream into school education and higher education there has been no scholarly discussion to date the combination of cultural politics transformed authority relations and officially approved songs can provide us with an understanding of the official content on the chinese dream that is conveyed in today s chinese society and how these factors have influenced the renewal of values based education and practices in school music education in china

this book first published in 1977 attempts to show mao tse tung in his relationship with the

chinese people the author makes extensive use of a number of interviews with a cross section of chinese people as well as examining the written records made by foreign visitors

the chief target of china s infamous cultural revolution liu shaoqi is one of the tragic figures of the chinese revolution by addressing the issues that decimated china s monolithic elite in the late 1960s lowell dittmer illuminates not only the life and fate of this fascinating leader but also the policy making process of a revolutionary state facing the diverging exigencies of economic modernization and political development liu shaoqi emerges as the symbol of a systematic endeavor to combine order with revolution and equality using economic efficiency and technocratic values in this new edition mr dittmer tells the end of the story the death of liu shaoqi and the fate of wang guangmei liu s wife and a notable figure herself and other members of liu s family and inner circle and the legacy and relevance of liu s contribution to china in the late twentieth century

the oxford handbook of music in china and the chinese diaspora illuminates new insights into chinese music studies musical genres and contexts this volume incorporates extensive scholarly insight from china taiwan and the chinese diaspora and is arranged into three parts the historical legacies of chinese music evolving practice and musical transformations and prominent issues in chinese music studies

from the 1970s to the 1990s china implemented a wide array of industrial policies to build up indigenous big business groups in their attempts to catch up with the industries of the developed world with its entry into the wto china is under huge pressure to pursue the market friendly policies advocated by the advanced economies this is the first book in english that applies the theories of big business catch up and state intervention to the chinese brewing industry having gathered first hand research in china yuantao guo analyzes the relationship between big business competition and state intervention in the context of developing economies demonstrating the implications of the industrial concentration and value chain integration of the global big business revolution for catch up by developing world industries considering to what extent state intervention can allow them to meet the competitive challenge examining these themes in relation to the chinese brewing industry yuantao guo uses detailed case studies of the yanjing and tsingtao breweries in order to detail the struggles that chinese brewers have faced this book makes a significant contribution to modern day discussions on globalization

david goodman reaches beyond china s spectacular economic success of recent years to understand the sources of deng s political power this is a balanced evaluation of the career of one of the century s great political survivors

vancouver has one of the largest populations of chinese in north america in the chinese in vancouver wing chung ng captures the fascinating story of the city s chinese residents in their search for identity between 1945 and 1980 ng also discusses the experiences of ethnic chinese in various southeast asian countries and the united states forcing a rethinking of chineseness in the diaspora ng juxtaposes the cultural positions of different generations of chinese immigrants and their canadian born descendants and unveils the ongoing struggle over the definition of being chinese though not denying the reality of racism ng s account gives the chinese people their own

voice and shows that the chinese in vancouver had much to say and often disagreed among themselves about the meaning of being chinese

since its reform and opening up china has experienced unprecedented social and economic development it is important to understand the biggest and fastest growing economy s policy and strategy as a key director in party school of the central committee of the communist party of china the author proposes a development path and reform strategies for china in the next three decades this book suggests reform strategies not only for the economic structure but also for the political system in china the author makes a sound analysis and exposition of chinese dream which reflects the vision of a better life in the future and the main indicators of social change the book investigates china s development path political system economic structure people s livelihood etc and suggests long term strategies for china in this regard

the sino soviet split in the 1960s was one of the most significant events of the cold war why did the sino soviet alliance hailed by its creators as unbreakable eternal and as representing brotherly solidarity break up why did their relations eventually evolve into open hostility and military confrontation with the publication of several works on the subject in the past decade we are now in a better position to understand and explain the origins of the sino soviet split but at the same time new questions and puzzles have also emerged the scholarly debate on this issue is still fierce this book the result of extensive research on declassified documents at the chinese foreign ministry and on numerous other new chinese materials sheds new light on the problem and makes a significant contribution to the debate more than simply an empirical case study by theorising the concept of the ideological dilemma mingjiang li s book attempts to address the relationship between ideology and foreign policy and discusses such pressing questions as why it is that an ideology can sometimes effectively dictate foreign policy whilst at other times exercises almost no significant influence at all this book will be of essential reading to anyone interested in chinese soviet history cold war history international relations and the theory of ideology

a long history of migration trade and shared interests links china to latin america and the caribbean over the past twenty years china has increased direct investment and restructured trade relations in the region in addition chinese public sector enterprises private companies and various branches of the central government have planned developed and built a large number of infrastructure projects in latin america and the caribbean such as dams roads railways energy grids security systems telecommunication networks hospitals and schools these projects have had a profound impact on local environments and economies and help shape the lived experiences of individuals each chapter in this volume examines how the impact of these infrastructure projects varies in different countries focusing on how they produce new forms of global connectivity between various sectors of the economy and the resulting economic and cultural links that permeate everyday life
